WCC Form for Course Modifications

Course ART 207 Intermediate Photography: Techniques and Aesthetics of Photography
Submitted by Mark Hamasaki
Date October 22, 2009

1. What change is proposed in the course? Provide specific information comparing both the "new" and "old" course.

   Old name: ART 207 Introduction to the Techniques and Esthetics of Photography
   New name: ART 207 Intermediate Photography: Techniques and Aesthetics of Photography

2. What is the rationale for the change?

   Original name implied that this course was an introductory class even though the number was a "200" level class. UH Manoa changed their numbering system so there are now introductory 200 level classes.

3. Is the change substantive enough to require a change in course identification? If so, explain thoroughly.
   NO

4. Is the course articulated with any 4-year program? Yes

   If yes, give details of the agreement(s) and explain any impact the proposed modifications may have on articulation.

   No impact on articulation. UH Manoa and KCC, both offer the same class. Change in name is to align it with both campuses.

5. Provide details of any additional staff, equipment, facilities, library/media material, faculty preparation and other financial considerations that would be required to implement this course modification. What has been done to provide for these additional costs? Who will teach the course? Is additional preparation needed?
   None

6. Will this course modification result in any alterations in the number of hours required to attain a certificate or degree? No If yes, provide details and justification for these alterations.
   No

7. If the course is renumbered to 100 or above, does it meet the criteria for transfer level courses? (Go to next page for transfer course criteria.) Yes
