14. Reason for Initiating, Modifying or Deleting Courses or Other Pertinent Comment:
   - This change is part of an overall remodeling of literature courses offered at WCC, moving from a 250 to 257 series to the more streamline and flexible 270-272 series which will provide WCC with stable but capacious courses that allow faculty to teach an even wider range of materials within the parameters of fewer single numbered courses. These changes will make our introductory literature offerings identical to those at Manoa. Everything taught now in the 250 to 257 series will easily fit within 270-272 series. Currently, our Eng 257 Themes in Literature (depending on theme) transfers to Manoa as Eng 272, so, upon approval of this proposal, it would be listed in the WCC Schedule of Classes as English 272 with the particular topic in parenthesis: (Multietnic Literature of Hawai'i) etc.
