CCCM #6100 (Amended for WCC use October 2002)
1. How is this course related to the education needs and goals of the College/Department/Community as reflected in the EDP/ADP?

This course would provide students the opportunity to "develop skills, fulfill their lives, [and] enrich their lives" (WCC Mission Statement) by helping them build their writing skills necessary for effective writing and learning. This course is an important component in achieving UH Strategic Outcomes #1 and #2, CC System Action Outcomes 1.3, 1.4, 2.3, 2.4 and WCC Action Outcomes 1.3, 1.4, 2.3, 2.4, and 2.6. Data from COMPASS indicate a need to address these students who do not qualify for ENG 021 or ENG 022.

2. Provide details of any additional staff, equipment, facilities, library/media material, faculty preparation and other financial support that would be required to implement this course. (Include an estimate of the actual cost of supplies and equipment.) What has been done to provide for these additional costs for the proposed date of offering? Who will teach the course?

This course would be taught by Language Arts department faculty.

3. Is a similar course taught elsewhere in the UH system? Yes If yes, provide details of how this course differs from existing similar courses.

The course does not really differ from similar courses taught elsewhere. These courses cover essentially the same concepts and skills: sentence level skills of punctuation, mechanics, and grammar; paragraph development.

4. Is this course experimental and/or unique to Windward Community College? Yes If yes, provide rationale and details of its impact on the College Curriculum

The experimental course would reactivate the ENG 010 Basic Writing Skills course, so the course would not have an impact on the college curriculum. LSK 035 replaced ENG 009 and 010 in 1995.

5. Is a similar course taught in the upper division level by a 4-year UH college? No If yes, explain why this course is appropriate at the lower division or how it differs from its upper division counterpart.

6. Please attach a complete course outline. Your course outline should address all the items listed in the Guidelines for Course Outlines.

7. If this course is numbered 100 or above or appropriate for transfer to a 4-year college, complete and attach WCC Form for Transfer Courses (blue). See criteria for transfer courses.
ENG 19 Writing Essentials (3)

Provides practice in improving essential college writing skills. Students engage in writing as a process and produce paragraphs and short essays based on personal experiences and the experiences of others. They pay attention to content, organization, and sentence structure as they complete their writing assignments. Students interact with a variety of sources to become familiar with a range of topics, purposes, and audiences. They use computers and word processing programs to produce their compositions. Students improve their language skills and learn writing strategies to help them succeed in college and the workplace.

Prerequisite: Appropriate reading and writing placement test scores or ENG 8 with a grade of C or higher or approval from the Language Arts Division.

Getting the Most Out of This Course

1. Attendance: Class sessions are designed to give you the opportunity to practice and review skills and concepts. Therefore, attendance will be part of the grading. Attendance will be taken at the beginning of each session. **Five or more absences before the official withdrawal date, excused and unexcused, may result in an N grade for this course.**
   - If you are unable to attend the class session (for verifiable medical or emergency reasons), please contact the instructor immediately. If you are unable to reach the instructor, please leave a message on the voice mail. Phone numbers are on the first page of this course outline. If you do not call me, homework will not be accepted.
   - Be on time! **A tardy of 10 minutes or more will count as an absence.** However, it is to your benefit to attend the rest of the class session even if you are late. Homework assignments are generally given at the end of the class period.

2. If you must bring a pager or cellular phone into class, please set it on silent or off.

3. Homework: Make sure you complete the homework assignments when they are due. Class participation will be difficult if you are not prepared to share your work with the rest of the class. Homework will be collected. If you are absent, make sure you get the assignments from your instructor or a classmate. You are responsible for homework assigned during your absence.

4. Testing: You must complete all tests when scheduled. Make-up tests will only be administered if the student has contacted the instructor before the test and has a verifiable medical excuse. Make-up tests must be completed before the deadline established by the instructor.

5. You may take retests on quizzes/tests (except for the final exam). In order to do so, you must complete additional work in the area, correct the work, and submit the work to the instructor. Once the work has been turned in, the instructor will put the retest in the TLC. There will be deadlines for both the completion of the additional work and the retest.

6. All writing assignments must be typed, double-spaced. Follow the guidelines provided. Assignments not typed will not be accepted.

7. Organize your life and yourself. Use a daily or monthly planner to keep track of assignments, deadlines, and personal errands. Use a three-ring binder to organize your class materials.

If you have a physical, sensory, health, cognitive, or mental health disability that could limit your ability to fully participate in this class, you are encouraged to contact the Disability Specialist Counselor to discuss reasonable accommodations that will help you succeed in this class.
