WCC Form for Course Modifications

Course ICS113 - Database Fundamentals
Submitted by Peggy Regentine
Date November 10, 2009

1. What change is proposed in the course? Provide specific information comparing both the "new" and "old" course.

   Change in prerequisites
   Old: Credit for ICS 100 or 101; placement into ENG 100; placement into MATH 24; completion of BUSN 20B or equivalent
   New: Credit for ICS 100 or 101; placement into MATH 24;

2. What is the rationale for the change?

   Changed to meet current course offerings
   ENG 100 is not required for course

3. Is the change substantive enough to require a change in course identification? If so, explain thoroughly.

4. Is the course articulated with any 4-year program? *

   If yes, give details of the agreement(s) and explain any impact the proposed modifications may have on articulation.

5. Provide details of any additional staff, equipment, facilities, library/media material, faculty preparation and other financial considerations that would be required to implement this course modification. What has been done to provide for these additional costs? Who will teach the course? Is additional preparation needed?

6. Will this course modification result in any alterations in the number of hours required to attain a certificate or degree? * If yes, provide details and justification for these alterations.

7. If the course is renumbered to 100 or above, does it meet the criteria for transfer level courses? (Go to next page for transfer course criteria.) *
