1. Bonnie Beaston was not here to follow up on the Coffee Hub. Tabled to next meeting.  
2. Toni Martin stated that there is nothing new on the artist and the courtyard at the moment. Tabled to next meeting.  
3. Inga White submitted documentation on a security fence needed to protect the indigenous plants in the college garden that she uses in her teaching. Deacon Hanson made a motion to support the construction of a security fence around the garden. Toni Martin seconded the motion. Vote was unanimous in favor. The Aesthetics Committee felt the fence had no aesthetic adverse effect on the surrounding areas.  
4. "Joel Harding described Student Government plans to monitor campus bulletin boards on a monthly basis. Student Government also wants to put up a bulletin board near the bookstore for personal student announcements. As Joel didn't know the dimensions of the wall next to the bookstore, the proposal was tabled until the next meeting."

Meeting ended at 12:45 pm.
