Before the meeting started Charles asked about the portable building that are down by the front of the college. I told Charles I will look into it for report at the next meeting.

1. Minutes were approved with corrections.  
2. KYA Consultants will meet with the Aesthetics Committee at the next meeting in November. The committee would like a presentation of where the consultants are at with the new design of the campus. Concerns from the committee is, lighting at night, proper fencing around the campus, parking, and keeping the historical architecture theme of the campus.  
3. Railings. The committee decided to leave the white railing and the forest green railing the way it is. Over time when the white railings need painting the committee will evaluate what should be done at that time. The railings in general are not getting painted. Paul will set up a meeting with Kevin about a maintenance plan for the railings.  
4. Rain Gardens. Floyd McCoy is looking into why the rain garden at Imiloa is not completed. The rain garden project by Toni Martin is for Palanakila Court Yard is going to be more like a landscape garden. Artist Ieland Miyano, Master Landscape Artist is going to look at the courtyard to see what can be done to create an aesthetically pleasing environment.  
5. Banners, the committee stated that the Coffee Hub does not need banners on campus. Bonnie suggested that the college needs to create a policy for banners on campus.  
6. Trees, Paul will set up another meeting with Kevin about a campus maintenance plan for the campus.
7. Arbor, it was suggested by the committee that the new arbor be created at the new Hawaiian Studies Facility.
8. Rattraps, Joe reported that Rick Murray, head of security is looking into better placements to the rattraps for aesthetics reasons.
9. Crescent Moon Sculpture, the sculpture lights are not working and Toni Martin allocated money to artist, Bud Sprint to fix the lighting. It has not been done. Paul said he would look into the problem.
