To: Faculty Senate  
From: Jean Shibuya, CAAC Chair  

The CAAC met on the second and fourth Tuesdays of the month during the academic year 2004-2005. The CAAC approved the following additions, deletions, and modifications to Windward Community Colleges curriculum:

1. Approved the modification in prerequisites for CHEM 161 General Chemistry I (3 credits) 9/28/04
2. Approved the modification in prerequisites for CHEM 162 General Chemistry II (3 credits) 9/28/04
3. Approved the new course proposal for PHYS 170 General Physics I (4 credits) 10/12/04
4. Approved the new course proposal for PHYS 170L General Physics I Laboratory (1 credit) 10/12/04
5. Approved the new course proposal for PHYS 272 General Physics II (3 credits) 10/12/04
6. Approved the new course proposal for PHYS 272L General Physics II Laboratory (1 credit) 10/12/04
7. Approved the new course proposal for AQUA 201 The Hawaiian Fishpond (3 credits) 1/25/05
8. Approved the new course proposal for AQUA 201L The Hawaiian Fishpond Laboratory (1 credit) 1/25/05
9. Approved the revision of the listing of courses for the Academic Subject Certificate in Hawaiian Studies  1/25/05
10. Approved the modification in prerequisites for MATH 24 Elementary Algebra I (3 credits) 1/25/05
11. Approved the new course proposal for AG 149 Plant Propagation (3 credits) 2/8/05
12. Approved the new course proposal for ICS 105 Computer and Information Literacy Exam Preparation (3 credits) 2/22/05

13. Approved the new course proposal for NREM 250 GIS Application in Environmental Science and Natural Resource Management (3 credits) 2/22/05

14. Approved the revision of the Academic Subject Certificate in Art from a multiple genre certificate to the more specific Academic Subject Certificate in Art: Drawing and Painting 3/8/05

15. Approved with editorial corrections, the Policy and Guidelines for the Curriculum and Academic Affairs Committee 3/8/05

16. Approved the title and course description modification for CHEM 100 Chemistry and Man to CHEM 100 Chemistry and Society 3/8/05

17. Approved the course description modification for CHEM 151 Elementary Survey of Chemistry 3/8/05

18. Approved the course description modification for CHEM 161 General Chemistry I 3/8/05

19. Approved the course description modification for CHEM 162 General Chemistry II 3/8/05

20. Approved the course description modification and elimination of lab for MUS 253 Basic Experiences of Music 3/8/05

21. Approved the modification of prerequisites or co-requisites for ART 224 Painting from Life 3/8/05

22. Approved the new experimental course HUM 197 Common Book (1 credit) 3/8/05

23. Approved the addition of GIS 150 Introduction to GIS/GPS (geographic information systems/global positioning system) (3 credits) (formally in the Natural Sciences Group 3) to the Social Sciences grouping for the A.A. degree 3/29/05

24. Approved the course description modification for ART 108 Elementary Studio: Drawing and Painting 3/29/05

25. Approved the new course proposal for PSY 250 Social Psychology (3 credits) 4/12/05
26. Approved the new course proposal for PSY 270 Introduction to Clinical Psychology (3 credits) 4/12/05

27. Accepted and forwarded to the Faculty Senate the memorandum from the Natural Sciences Department on the placement of GEOG 101 and GEOG 101 lab into the physical science category of the Natural science requirement for the A.A. degree 4/12/05

28. Accepted and forwarded to the Faculty Senate the memorandum from the Language Arts Department on course placement in the Diversification Literatures category of the Humanities requirement for the A.A. degree 4/12/05

29. Accepted and forwarded to the Faculty Senate the memorandum from the Humanities Department on course placement of Diversification Arts and Diversification Humanities categories of the Humanities requirement for the A.A. degree 4/12/05

30. Approved the new course proposal for BIOL 124L Environment and Ecology Laboratory (1 credit) 4/26/05

I thank the following CAAC members for the effort they put into each deliberation brought before the committee:
Patti Chong, Student Services’
Margaret Coberly, Social Sciences
Leticia Colmenares, Natural Sciences
Jean Hanna, Language Arts
Janice Nuckols, Humanities
Jean Okumura, Business and Mathematics
Tara Severns, Academic Support

Appended is the annual report the Writing Advisory Board, which I, as Writing Advisory Board Chair, submitted to the UH system-wide Committee for re-certification of Windward’s writing intensive program. WCC was re-certified to offer WI courses for the academic year 2005-2006.
