Curriculum Committee Minutes for October 22, 2013

Attendance: Kathleen French, Patti Chong, Kalawaia Moore, Vanessa Cole, Janine Oshiro, Kevin Morimatsu, Paul Briggs, Elizabeth Ratliff
Proxy: Sam Craddock for Ross Langston

1. Approval of Minutes from Oct 8, 2013

Motion to accept: Vanessa moved, Janine seconded. Motion carried unanimously (8 votes cast).

Discussion: Although at the last meeting the Curriculum Committee decided to put the IS 103 proposal to move the course from Social Sciences to Student Services on the DB, some concern was expressed by Brian Richardson, who asked that the committee wait until after the Nov 12, 2013 curriculum meeting so that he has an opportunity to first talk with Patti and the committee about the potential issues of housing courses in Student Services. The committee agreed to wait until after Nov 12, 2013 to proceed.

2. Archive ASC: ASC in Bio-Resources and Technology: Plant Biotechnology

Motion to archive: Moved by Kalawai, seconded by Janine. Motion to approve carried unanimously. (8 votes cast).

3. Course Modification: ICS 100, Computing Literacy and Applications
http://windward.hawaii.edu/Curriculum/Details.php?Alpha=ICS&Number=100

Motion to accept modification: Moved by Janine, seconded by Vanessa. Motion carried unanimously. (8 votes cast).

Discussion: This course is listed as a DS in the Pyscho/Social Developmental Studies program so will the PSDS be modified? Social Science representative will check with the program coordinator about whether this course needs to be removed.

http://windward.hawaii.edu/Curriculum/Details.php?Alpha=IS&Number=160A

5. Course Modification: IS 160B: Polynesian Voyaging and Seamanship

6. Course Modification: IS 160L: Polynesian Voyaging and Seamanship Lab

http://windward.hawaii.edu/Curriculum/Details.php?Alpha=IS&Number=260A
8. Course Modification: IS 260B: Polynesian Voyaging and Stewardship

9. Course Modification: IS 260L: Polynesian Voyaging and Stewardship Lab

Discussion for 4 through 9: These courses are being moved from Humanities (DH) back to Physical Sciences (DY) in full-filling Diversification requirements. Hawaiian studies program will be submitting a change to add all the IS 160 courses and labs to full-fill the requirements of Hawaiian studies elective credits.

Suggestion: These courses would benefit by showing how they meet the Hallmarks for the diversification requirements included in the form under number 35 in detail.

Motion to accept modifications to all the IS courses (160A, 160B, 260A, 260B, 160L, and 260L) as proposed: Moved by Vanessa, seconded by Kalawaia, motion carried unanimously. (8 votes cast).

Meeting adjourned at 2:00 pm.
