To: Doug Dykstra

CC: Ellen Ishida-Babineau
Interim Vice Chancellor, Academic Affairs

From: Ardis Eschenberg
Vice Chancellor, Student Affairs

ACTION REQUESTED
It is requested that the college implement the attached policy on the availability of the Senior Citizen Visitor Passes for Hawai‘i residents at least 60 years of age.

ADDITIONAL COST
No additional costs to the college are associated with this request.

RECOMMENDED EFFECTIVE DATE AND IMPLEMENTATION PLAN
Spring 2014.

PURPOSE
The Senior Citizen Visitor Program (SCVP) allows seniors to “visit” courses that are offered at Windward Community College free of charge if the seats are available. Visitors are exempt from tuition/fee payment (although course fees may apply for supplies and/or materials), no credit is awarded, no name will appear on the instructor’s class roster via MyUH, and no permanent academic records are retained in the Admissions and Records office. If the Senior Citizen wishes to enroll in courses to receive credit, he/she is required to follow the same procedure and deadline as other students. Once this Senior Citizen Visitor Pass is issued, the Senior Citizen Visitor cannot request credit for the visited class(es). The Senior Citizen Visitor status does not provide an active UH student account, access to MyUH, Laulima, or full library privileges.

2. The Senior Citizen Visitor instructor’s permission AFTER Late Registration period with signature and date for no more than three classes per semester.
3. The Senior Citizen Visitor submits application with the Residency Declaration form and health clearances to A&R no later than the second Friday of instruction.
4. A&R confirms Senior Citizen Visitor Hawai‘i residency status no later than the second Friday of instruction.

The UH System has allowed each campus to decide how to implement the policy for their respective populations.
