**AGRICULTURAL TECHNOLOGY 2014-15**  
**Graduation Checklist for Windward Community College**

**CERTIFICATE OF COMPETENCE (CO) – 15-16 credits**

The curriculum is designed for students desiring entry-level employment or to enhance their skills in the field of plant landscaping (landscape maintenance, turfgrass maintenance, nursery operations, and/or retail plant outlets). All courses are taught with a “hands-on, learn-by-doing” philosophy. Students are expected to make sound decisions about real life horticultural and environmental situations.

The Certificate of Completion in Plant Landscaping (CCPL) consists of 16 credits. Students must complete 12 credits of required courses and select a 4-credit area of specialization (Landscape Maintenance and/or Turfgrass Maintenance).

The Certificate of Completion Agricultural Technology (CCAT) consists of 15 credits. Students must complete 10 credits of required courses and select 5 credits of electives. See course descriptions for prerequisites.

This is not an official document. Use it to keep track of your academic progress. You are responsible for meeting your program and graduation requirements. Check catalog for course descriptions and course prerequisites. See your academic counselor if you need help.

### **Graduation Requirements**

- 2.0 cumulative grade point average.
- Residency requirement: At least 50% of the required courses in the major area (the final credits) must be earned at the College. Under certain circumstances, this requirement may be waived upon request made to the Vice Chancellor of Student Affairs.
- Last day for graduation certification is the last day of instruction.
