**AGRICULTURAL TECHNOLOGY**  
**Subtropical Urban Tree Care 2014-15**  
**Graduation Checklist for Windward Community College**

**CERTIFICATE OF COMPETENCE (CO) – 12-14 credits**

The curriculum is designed for students desiring entry-level employment or to enhance their skills in the field of tree care. The certificate in Subtropical Urban Tree Care (STUTC) is a 12-14 credit educational program for people who want to learn more about tree care and get involved in an emerging green industry. This is a hands-on education with lots of tree touching. Completion of this program will help prepare students for the International Society of Arboriculture certification exams. Windward Community College has the only accredited educational program to learn how to care for our Island trees.

The Certificate of Completion in Agricultural Technology: Subtropical Urban Tree Care Arborist focus consists of 14 credits. See course descriptions for prerequisites.

The Certificate of Completion in Agricultural Technology: Subtropical Urban Tree Care Tree Worker focus consists of 12 credits. See course descriptions for prerequisites.

This is not an official document. Use it to keep track of your academic progress. You are responsible for meeting your program and graduation requirements. Check catalog for course descriptions and course prerequisites. See your academic counselor if you need help.
