Minutes of the Alo Ali'i Meeting - Number 4, September 17, 1975 - Wednesday.

1. The regularly scheduled Alo Ali'i (Faculty Governance Body) Meeting was called to order at approximately 12:10 PM on Wednesday, September 17, 1975 in Mahi 103.

2. Topic:

   In what directions do we want to go, and how do we get there?
   Suggestions:
   a. Have ad hoc committees formulated when needs or tasks arise. Once need is met committee would cease to function.
   b. Need a body to act upon items. Need to organize to respond to administration and to make proposals to students.
   c. Have each respective division make recommendations concerning course offerings.
   d. Have Alakai meet with administration to get clear the goals and objectives of the college. Need to have behavioral objectives spelled to each faculty member.
   e. Study other campuses and find out whether their administrations have the same attitude toward their faculty that WCC has.
   f. What is the role of Faculty Senate if charter has not been approved. Suggest that roles for faculty be spelled out.
   g. Study other systems in the college system and find a model appropriate for WCC.
   h. Have faculty compile a list of questions concerning the relationship between faculty and administration and invite administration to Alo Ali'i meeting to answer these questions. Deadline to Akagi is September 24.
