3. Old Business
   a. Recommendations regarding "General Education Core for A.S. (or comparable) degree", see attachment Alo Ali'i agenda meeting #18

Motion: Recommend acceptance of the Curriculum Hui's recommendations for the general education core for the A.S. (or comparable) degree:

One (1) course each, in each of the following areas:

1. Communications*
2. Quantitative and Logical Reasoning
3. Social Sciences
4. Natural Sciences
5. Humanities

Yes - 18  
No - 0  
Abstain - 1

Recommendation motion passed.

(*It is presumed that the student has attained basic levels of competency in reading, writing, and oral communication in addition to this course. We consider these three skills to be of basic necessity for the individual to function effectively in our society and as a participating citizen. If a student is lacking in any of these three areas, he is to develop them to acceptable levels before receiving an A.S. degree.)
