Minutes of the Alo Ali'i Meeting Wednesday, Sept. 15, 1976

The meeting was called to order at 12:10 p.m.

A. The minutes of the last meeting of the academic year, May 17, 1976, were approved.

B. Announcements
   1. Durwood Long, Vice-President for Academic Affairs, UHM, will be Visiting Windward on Oct. 19, 1976. He will meet with faculty from 12:40 to 2 p.m. in Mahi 101.

   2. Janet Harada announced that she will be working on a Computer Assist Pilot Program here at Windward. Faculty who would like to use a computer in their courses should notify her.

   3. Faculty who have not yet contributed to the Hospitality Fund may give their $5 to Helen Hew-Len or Bea Kuwana.

   4. Faculty are invited to comment on the Community College Master Plan. Copies were distributed on Orientation Day in August. The Curriculum Committee will respond to the section on curriculum (if enough members vote to do so.) Faculty are encouraged to send in their comments to the provost on other matters concerning the Master Plan.

   5. Maryanne Inouye reported that course outlines will be sent for review to Manoa Campus. The Alo Ali'i request that only course goals be sent seems unrealistic. From her discussion with the Dean, it seems likely that names of instructors will be removed and only one course outline per course alpha will be sent.

C. There was no old business.

D. New Business

   1. Motion: The Orientation Committee should be commended for the hard work they did over the summer on planning Orientation Day and writing the orientation booklet. PASSED UNANIMOUSLY BY VOICE VOTE.

   2. Motion: The Administration-Faculty Information Session one a once-a-month basis should be continued. PASSED UNANIMOUSLY BY VOICE VOTE.

   3. The meeting was moved to a committee of the whole to discuss the WCC charter/constitution.

E. The meeting was adjourned at 12:55 p.m.

Respectfully submitted, Jean Minami
