Palikū Arts Festival 2013

The 3rd annual arts festival offers hands-on artistry and creativity on Saturday, April 6.

W indward Community College presents the 3rd Annual Palikū Arts Festival, a unique interactive arts experience, in and around the grounds of Palikū Theatre and the new Library Learning Commons on April 6 from 10 a.m. to 6 p.m. Come in costume or festive clothing for a fun, artful day that’s free and great for all ages.

“We invite you to ‘Do Art!’ This festival has an open and adventurous ‘learn-by-doing’ vibe. We provide free art supplies and guidance, so you and your family can play! You can take home whatever you create. And this year we have some new activities, and are including our new Library Learning Commons as a venue,” said festival chair Ben Moffat.

The festival’s emphasis on “doing” art brings WCC art professors, instructors and students together (with supplies provided!) to assist those who want to express their creativity in a variety of ways—from painting, drawing, and sculpting to moving, acting or making music, prints, masks, poetry and prose—so you and your family can play!
