CREDIT / NO CREDIT OPTION FORM

The Credit/No Credit option is maintained to encourage students to broaden their education by taking courses outside of major requirements without affecting their grade point averages. No grade points are given for courses taken under this grading option. Course credit is awarded for courses completed at WinCC with certain restrictions. This grading option is not offered in all courses and students majoring in a particular program are not permitted to take a major required course with the CR/NC grading option. The student should consult the instructor's course outline to determine if this option is available in a particular course.

The completed Credit/No Credit option form is due to the Admissions and Records Office by the last day of the course withdrawal date (refer to Class Availability via MyUH).
