Additional Information

- **Attendance Policy:** Being in class is vital to your success. Developing proper vocal habits and sounds requires close observation by and feedback from your teacher. You will receive 1 point for each class attended half a point for an excused absence if you are tardy more than 5 minutes late. Refer to the Student Conduct Code in the WCC College Catalog for additional information about attendance policies.

- **Student Expectations:**
1. Practice at least 3-4 hours a week outside of class. I recommend 30 minutes a day. You are training vocal muscles, which need consistent, regular practice for vocal proper control.

2. Attend ALL class sessions.

3. Be on time for classes.

4. ALL assignments, singing or written, are due on the date assigned and may not be accepted at a later date.

5. When ill, call in BEFORE class (either office or leave a message with the switchboard) or send an email. After-the-fact excuses will not result in an excused absence.

6. Take advantage of the opportunity to hear well-known vocalists in performance either live or on the radio or TV.

If you have a hidden or visible disability, which may require classroom or test accommodations, please see me as soon as possible during a scheduled office hour. If you have not already done so, please register with Anne Lemke, counselor for disabled students, for a letter of accommodation.

**Your Voice Journal**

Keep a daily journal, preferably in a loose leaf notebook. As noted earlier, your journal should include notes from class lectures and readings from your textbook, your individual practice, performance, changes you note in your voice, new ideas, sounds, experimenting with your speaking voice, etc. Be sure to note the date on which the journal is written, how long you practiced and what you practiced.

NOTE: Singing with the radio (at home or in your car) or jamming with your friends, and sing at church ARE NOT practice; they are performance. Practice needs to be done alone in a reasonably quiet space. You are encouraged to use our practice rooms in Hale Palanakila if you do not have an appropriate place at home.

**DISABILITIES ACCOMMODATION STATEMENT**

If you have a physical, sensory, health, cognitive, or mental health disability that could limit your ability to fully participate in this class, you are encouraged to contact the Disability Specialist Counselor to discuss reasonable accommodations that will help you succeed in this class. Ann Lemke can be reached at 235-7448, lemke@hawaii.edu, or you may stop by Hale ‘Akoakoa 213 for more information.
