ASSESSMENT TASKS AND GRADING

1. Completed all quizzes with at least 60% proficiency.
2. Meet with instructor for initial conference, with one other semester conference optional.
3. Complete all course assignments.
4. Grade will be assigned with the successful completion Iff all course objectives.
   Method of evaluation:
   - Final Exam – 60%
   - Quizzes – 20%
   - Participation – 20%
5. Grade available: 
   - A = 90% or greater
   - B = 80% to 89%
   - C = 70 % to 79%
   - D = 60% to 69%
LEARNING RESOURCES

1. Ball Pest and Disease Manual, Charles Powell, Ph.D. and Richard Lindquist Ph.D.
2. Cooperative Extension Service, University of Hawaii at Manoa
3. Disease and Disorders of Ornamental Palms, A.R. Chase and T.K.
4. Fred D. Rauch
5. Gail L. Schumann, Patricia J. Vittum, Monica L. Elliott, and Patricia P. Cobb; IPM Hand Book for Golf Course

Additional Information

1. Attendance: class sessions are designed to give you the opportunity to practice and review skills. Therefore, attendance will be taken at the beginning of each session. A total of 3 or more absences before the official withdrawal date, excused and unexcused, will result in an N for the course.
2. Be on Time. If you are more than one half hour tardy, you will lose 2 points from your Final grade for each tardy.
3. Students unable to be present on the day of the exam are required to notify the instructor at least one day prior to the exam day. It is the responsibility of the student to make up any exams and quizzes.
4. Students absent from class will be held responsible for the material covered in class and any announcements made in class.
5. Students that bring into class a pager or a cellular phone, please set it on silent or off. Please use your cell phone during the break.
6. Students will have three 10 minutes breaks.
7. STUDENTS NEED TO PASS COURSE WITH A “C” OR HIGHER
