Budget Report
No report from the committee. Ron Loo is working on getting a bid package prepared for a P.A.

III. Current Business

Hawaiian Studies Course Scheduling and Curriculum
- Congratulations to Winston and Clyde for a wonderful paina for IS 201 on May 5th. Thank you for sharing.
- Concern was raised regarding the lack of classes to take in F09 for the ASC.
- To put the Hawaiian Studies program “on the map”, KKP’s task is to define the breadth and depth of what we want to offer and build it accordingly. It should include a) community involvement, b) student retention and graduation rates, and c) focus on health (kalo). PRIORITY ISSUE
- As the 2 year proposed schedule is designed, may want to seek options to Hawaiian language, perhaps in Linguistics or Music.
- On a side note, students have expressed their dissatisfaction with the lack of Math lab and TLC resources, i.e. COMPASS preparation materials. We might want to consider including this service piece in the S.I. plans.

Manawa Küpono Campus Tour
Carla took five Hawaiian students for the UHM tour on 5/1. Three of those students will transfer to UHM in the Fall.
Mele Workshop Series
Cyril Pahimui and Ron Loo will present a Slack Key Guitar Workshop on 5/14 & 15, 6-8 p.m. in Palanakila 104. Non-credit, $20 for each of the two workshops. There may be funds to cover “scholarships”.

Coming up: Gordan Mark Wed., 5/20, 7-8 p.m. in the Paliku Theatre and Thurs., 12:30-1:30 in the Paliku Theatre.

Ron is already working on the Fall schedule, perhaps focus on evening presentations.

Kalo Workshop Series
Excellent series very well attended. Mahalo Liko and guests!

'Iolani Building
Discussion tabled until new administration is in position after July 1st.

Waimanalo Extension Program
Possible non-credit classes for the Summer are College Prep (W. Kong) and Garage Band (R. Arakaki). Fall for-credit possibilities are Hawaiian Studies 107 (K. Moore), IS 103 (W. Kong), and Hawaiian Language (G. Cobb-Adams).

WCC Chancellor Search
Forums were held for WCC staff and faculty to meet and ask questions of the three candidates. Mark reported that the committee’s unranked recommendations were submitted to John Morton’s office which included candidates’ strengths and weaknesses. For the future, Ke Kumu Pali will clarify the expectations of their representative on a search committee.

Summer Planning Retreat
Mark your calendars for July 8-10 at Bellow’s AFB cabins. Official notification will go out after accommodations are confirmed. [http://www.bellowsafs.com/cabins.html](http://www.bellowsafs.com/cabins.html)

IV. New Business

Garden Project
Jamie received KKP support to establish an on-site garden to provide hands-on, ʻaina-based training for a HAP nutrition course. She is writing a grant through the NIH and before moving forward, seeking buy-in from WCC stakeholders. Jamie met with Richard Fulton and Dave Ringuette following the meeting.

Waimanalo Education Expo
Lui distributed the flyer for the May 30th event which will be mailed to 3,000+ Waimanalo residents. Everyone who is available is asked to kokua, Gus will be assigning responsibilities. Jayne, Carla and Leslie confirmed their availability.

Year End Report
Please begin preparing entries for the Year End Report:
Waimanalo Extension Program – Lui
Mele Talk Story Series – Ron
Kalo Series – Liko
Hawaiian Studies – Kalawaia
Budget – Loke
Events Schedule Outline – Carla
