TV Meeting
Meeting Notes
May 2, Tuesday, Kuhina 106
3:00-4:30

PRESENT:
Mike Bowles
Paul Briggs
Margaret Coberly
Elizabeth Ratliff
Peggy Regentine

I. Minutes of 4/26/06
   A. Moved to accept the minutes.

II. Old Business
   A. Standard IIIC
      i. Need to get input in on this right away.
         1. Please see attached document for comments and changes to this document.
         2. There were three documents:
            a. First Document was done by Standard 3C Committee.
            b. Second Document was then edited by the WCC Steering Committee.
            c. Third Document was then edited by the Chair of the Standard 3C Committee.
            d. The Techvision Committee is working on this Third Document to send back to the WCC Steering Committee.
               i. Document is stated May 1 Documentation.
      3. The attached document (Third Document) from Techvision with comments and recommendations will go to the WCC Steering Committee.

   B. Elizabeth R’s meeting with Curtis Ho
      i. Meeting will be tomorrow, May 1st.
      ii. Elizabeth R’s plan is to have Masters students to work at WCC as a laboratory for such things as faculty training, instructional design, or the impact of a new technology to WCC.
         1. Hopefully, this will done during the fall semester or maybe the Spring Semester.

   C. Paul’s homework
      i. Was worked on last meeting, further modifications during this meeting.
ii. Send final copy of Elizabeth R’s chart to Techvision Committee members.
   1. Elizabeth R will do this.
   2. 

III. New Business
A. Presentations at fall convocation, or not…?
   i. Perhaps a very simple thing, or take a few minutes to use the clicker system.
      1. There are a limited number of clickers though.
      2. Bring in some items about Techvision.
   ii. Or a status report on the Techvision committee.
   iii. Fall Convocation is going to be busy.
B. Over the summer
   i. Communication about Fall Convocation activity.
   ii. Elizabeth R will send us a status report on the visit with Curtis Ho.
C. For Fall 2006
   i. Work on incorporating Techvision planning with each of the WCC academic departments.
