STUDENT LEARNING OUTCOMES

The student learning outcomes for the course are:

• Demonstrate knowledge of the history of ‘ukulele development.

• Apply knowledge of basic concepts in accurate performances.

• Strum chords for three (3) Hawaiian songs (in different keys) that demonstrate an understanding of major scale (music theory) applications.

• Perform with growing confidence in class performances.
1. **Attendance**: The method of teaching is patterned after the oral traditions of Hawaiian history. Traditionally, information was given personally from kumu to haumana or teacher to student. Therefore, all assignments are given in class. Lessons are accumulative and there will be no time to review in whole what was already explained the previous day. If for whatever reason you cannot attend class, it then becomes your responsibility to make up for lessons missed. You may ask fellow class members to help you review the lesson. This is done outside of class and on your own time. You may also ask me and I will try to make arrangements to help you during my office hours. Please, just come to class.

2. **Oral Report**: An oral report is given on an assigned master Ukulele artist. This activity is to help everyone become familiar with prominent people in the Ukulele community. The report will be no less than 3 minutes and no longer than 5 minutes. The report should include the artist’s DOB, where the artist grew up, musical influences, noteworthy accomplishments, and any other interesting facts worth mentioning. Time is specified and your report may include any form of media i.e. power point, video, or musical selections. You will need to hand in a one (1) page outline to me prior to your presentation. As with all formal public speeches you need to be considerate of your audience. You will be graded on posture, appearance, clarity, and information disseminated.

3. **Quiz**: There will be quizzes throughout the semester to ensure that learning is taking place. Points will be given for class participation.

4. **Film Response**: These are films to be watched in class. It must be one page and have a clear perspective on what you found interesting about the film and why you agree or disagree with what was presented in the video. It needs to be 12 font, double spaced and three paragraphs only. This is a personal reflection paper and you may use words such as” I believe,” “I feel” or “I thought”. Papers are due at the beginning of next class after viewing the film. Please write at the top right corner using single space the following information:

   Name  
   MUS 121Z  
   Film Title

5. **Reflection Papers**: Occasionally you will be given quotes or questions to think about and reflect on. Your reflections should be one page and give your personal thoughts on the subject for reflection. It needs to be 12 font, double spaced. Like the film response, this is a personal reflection paper and you may use words such as” I believe,” “I feel” or “I thought”. Papers are due at the beginning of the next class. Please write at the top right corner using single space the following information:

   Name  
   MUS 121Z  
   Reflection #...
6. **Mid-Term Exam:** This exam will be taken in class. The exam will include items of multiple-choice, true/false, matching, and short answer. This will test your knowledge of information given from the beginning of the semester up to this point of the semester.

7. **Writing Assignment:** A minimum three (3) page paper on the History of the ‘Ukulele is due on December 5th in class. Please submit the assignment on the deadline. No late exceptions! Paper needs to have a well thought out thesis clearly stated in your introduction. Must be size 12 font, double spaced and use APA writing style. No handwritten papers will be accepted. At least 5 works cited required. PROOF-READ and spell-check your paper before clicking “print”.

8. **Group Composition:** The class will be broken up into small groups and each group will be responsible to compose a song about either the place they are collectively from or that they are collectively connected to. (In some cases the connection will have to be Kane‘ohe because WCC is your only connection)

8. **Final:** We will have a final recital as a class. We will perform all of our songs learned throughout the semester. We will perform as a group however you will be graded individually on how well you perform on stage in front of a live audience.
