COURSE TASKS

Evaluation will be based on: How well you fulfill the assignments; your individual progress and artwork; regular attendance, class participation, effort and creativity. Lectures, discussions and audio-visual materials are crucial to this course, therefore participation in these activities is required. Your artwork must have a disciplined and professional sense of presentation, design, vitality and craftsmanship.

5 assignments will be given. The first three assignments are technical in nature, but may be completed in very creative ways. The last two assignments are creative in nature, but you must apply the technical knowledge gained in the previous lessons. Class attendance is compulsory at each of the class critiques. This is when we share our solutions to the assignments with the class as a group. (This is a very important part of the class and the learning experience). Individual appointments will be scheduled. Three tardies equal one absence. After three absences you grade will be lowered one letter.

Minimum level of achievement: Credit for 5 assignments and no more than 3 absences.

ASSESSMENT TASKS AND GRADING

A — credit for all assignments, regular attendance, class participation, excellent achievement in craftsmanship and creativity and a high degree in individual progress.
B — credit for all assignments, regular attendance, class participation, above average achievement in craftsmanship and creativity.
