**STUDENT LEARNING OUTCOMES**

The student learning outcomes for the course are:
1. Read pitch and rhythmic notation in simple choral parts
2. Learn choral parts using basic music elements
3. Demonstrate the importance of ensemble singing in terms of musicianship and performance practice by learning all choral parts thoroughly and attending all rehearsals and performances.
4. Experience the transformative nature of choral performance in the human experience.

**COURSE TASKS**

Besides the requisite rehearsals and performances listed above, each student is required to attend one outside choral performance this semester and produce a 1.5-2 page, double spaced, 12 point font, reflection paper on the concert. An acceptable performance is ANY performance in which a choir is involved (a church service, an opera, a high school choir concert, etc.). The report is due within 10 days of the concert itself and a hard copy accompanied by a program must be handed in to me by class, Friday, 20 April 2012.
Attendance and participation is absolutely key to your success in this class. While I will “compensate” you some of the time that you will be required to participate in choir-related activities outside of normal class time, I do expect that you attend EVERY formal class session.

There will be no such thing as an excused/unexcused absence. You are allowed 3 absences for any reason. After those three absences, your grade will be reduced by one entire letter per absence. Therefore, on absence number 4, your grade drops from an A to a B; on absence 5, from a B to a C; and, so forth.

Also, rehearsals and performances listed in the “Activities…” section above are mandatory. If you miss ANY of them, your grade will be reduced by one letter for each rehearsal/performance missed, regardless of reason.

**ASSESSMENT TASKS AND GRADING**

Attendance and participation count for everything. At this point, you are all receiving an A in this class. As you continue to attend and to participate, you will continue to receive an A. If your attitude in class is less than exemplary, your grade will reflect such.

If a concert report is not turned in to me by Friday, 20 April, 2012, the highest grade you will receive for this class is a B.

**LEARNING RESOURCES**

All music will be provided for the student but is either the property of Windward Community College or borrowed from other institutions. Therefore, IN ORDER TO RECEIVE ANY GRADE AT ALL IN THIS CLASS, ALL music must be returned at the end of each semester.

**DISABILITIES ACCOMMODATION STATEMENT**

*If you have a physical, sensory, health, cognitive, or mental health disability that could limit your ability to fully participate in this class, you are encouraged to contact the Disability Specialist Counselor to discuss reasonable accommodations that will help you succeed in this class.
