4. Question and think critically.

**COURSE TASKS**

1. Attendance is highly recommended. The exams will rely **heavily** on lecture material. If you miss class regularly, it will be detrimental to your success in this course.

2. Daily assigned readings are to be completed before class. Reading assignments will be posted on Laulima. Please be sure to check Laulima daily for announcements, as the instructor will also assign supplemental material to the in-class lectures such as videos to watch and interactive sites to visit.

3. There will be occasional quizzes on both the reading assignments and the material from lectures available via Laulima. You will be responsible for completing quizzes on quiz dates, as listed on the course schedule. Quizzes can be taken in advance of the quiz date with prior approval from the instructor. Missed quizzes cannot be made up, since they will be available online. Failure to complete a quiz will result in a zero grade.

4. In addition to the quizzes, there will be three exams, including the final. Attendance at all three exams is **mandatory**. If you know in advance that you will miss an exam, please contact the instructor to reschedule. If, for any unforeseen reason, you miss an exam, you must email the instructor immediately to reschedule, providing proof (and a very good explanation) for the absence. If a make-up exam is permitted by the instructor, the exam will be essay format.
