WINDWARD COMMUNITY COLLEGE MISSION STATEMENT

Windward Community College offers innovative programs in the arts and sciences and opportunities to gain knowledge and understanding of Hawai‘i and its unique heritage. With a special commitment to support the access and educational needs of Native Hawaiians, we provide O‘ahu’s Ko‘olau region and beyond with liberal arts, career and lifelong learning in a supportive and challenging environment — inspiring students to excellence.

CATALOG DESCRIPTION

Introduction to accounting theory and methods used to record and report financial information according to generally accepted accounting principles. (3 hrs. lect.)

The student learning outcomes are:
1. Describe and understand the nature, environment and role of accounting as it relates to individuals, business organizations, and the business community.
2. Analyze, record, and report the business activities and transactions of a service and/or merchandising type organization using generally accepted accounting principles (GAAP).
3. Understand and describe what internal controls are, including its basic components and limitations, and apply internal control activities in the control of cash and merchandising transactions.
4. Apply GAAP in accounting for financial assets and liabilities including, but not limited to, short term financial assets, inventories, long-term assets, and current liabilities.

Activities Required at Scheduled Times Other than Class Times

The University of Hawaii Laulima course management website is used for general management of the course and may be used to administer examinations. All assigned homework is hosted at the MyAccountingLab companion site. Instructions for accessing the MyAccountingLab site are explained at the following address:

http://pearsonmylabandmastering.com/students/
When registering for MyAccountingLab, you will need to use the following Course ID:

**hanson28305**

In MyAccountingLab, the course is titled:

**ACCOUNT 201 FALL 2014**

You are required to keep up with all assigned readings, and homework. Students are required to submit their homework via the MyAccountingLab website by the last day of instruction. Students are also encouraged to make use of the other learning tools which are available at the MyAccountingLab website.

**STUDENT LEARNING OUTCOMES**

The student Learning Outcomes are listed above in the Catalog Description category of this syllabus.

**COURSE CONTENT**

The course’s content is aimed at exposing the student to accounting and the business environment by introducing the processes involved in recording business transactions, executing the adjustment process, and completing the accounting cycle. Course content introduces accounting concepts using a service business model and later details accounting processes involved in merchandising operations, including the recordkeeping involved with a business that maintains merchandise inventory. The course’s content also includes: Internal control, as it applies to cash; accounting for receivables, plant assets & intangibles, current liabilities & basic payroll, long-term liabilities, bonds payable, corporations; and the financial statement classification for all said items.

**OBJECTIVES AND TASKS OF THE COURSE**

1. Since accounting has been defined as the language of business, students will be expected to:
   a. Learn and understand basic accounting terminology
   b. Analyze basic transactions in terms of debits/credits.
   c. Journalize transactions.
   d. Post transactions.
   e. Prepare a trial balance.
   f. Schedule accounts receivables & payables.
   g. Complete a worksheet.
   h. Prepare financial statements.
   i. Journalize & post adjusting/closing entries.
   j. Prepare post closing trial balance.
2. Correctly answer at least 60% of all questions on the Midterm Examinations and on the Final Examination.
3. Score at least 60% on all assigned homework.
ASSESSMENT TASKS AND GRADING

1. To pass the course, you must complete “Objectives and Tasks of the Course” 1 through 3.
2. Available Course Points are as follows:

   60.0% Homework
   10.0% Midterm Examination 1 (Chapters 1 through 4)
   10.0% Midterm Examination 2 (Chapters 5 through 7)
   10.0% Midterm Examination 3 (Chapters 8 through 10)
   10.0% Final Exam (Chapters 11 through 13)
   100.0%

HOMEWORK
All assigned homework must be submitted via the MyAccountingLab online portal. MyAccountingLab allows you multiple attempts at each homework problem. The student is given the whole semester to complete all of the homework assignments. Because it is very easy to fall behind to a point where catching up is extremely difficult, you are strongly encouraged to pace your homework completion to follow the pace of the topics as listed in the course outline. You have all semester to complete the homework assignments. It is suggested that you complete the homework for each chapter as the course progresses. Your final homework grade will be determined on December 11, 2014 at 5:00pm. Any homework that is submitted after December 11, 2014 at 5:00pm will not be considered when computing your overall course grade.

EXAMS
There will be three (3) midterm examinations and one (1) final examination, each weighted as 10% of your overall course grade. See grading section of this syllabus. The examination weeks are listed in the course outline. If the examination schedule changes for any reason, you will receive notification through the course’s Laulima website.

COURSE GRADES
Students’ individual letter grades will be given at the end of the course and will be based on their overall success in percentage terms, weighted as shown in 2. above. Note: Grade percentages shown at the Laulima website, and at the MyAccountingLab website, are unofficial, and may differ significantly from the student’s final course grade. Students who wish to assess their progress during the semester should communicate with the instructor. Letter grades will be assigned to students based on overall percentage scores as follows:

   A  90% or better weighted average
   B  80% or better, but less than 90%
   C  70% or better, but less than 80%
   D  60% or better, but less than 70%
   F  below 60%

   I  Incomplete may be given as a temporary grade if a student fails to complete a small part of the course because of circumstances beyond his or her control. The student is expected to complete the course by the designated deadline in the succeeding semester. If this is not
done, the I grade will revert to the contingency grade identified by the instructor.

C/NC  Credit/No Credit option is available for this course.

W  Withdrawal grade will only be given if official withdrawal is processed according to published procedures. (See current schedule and college catalog)

LEARNING RESOURCES

2. Access to MyAccountingLab on-line course site. See the Activities Required at Scheduled Times Other than Class Times section above.

Additional Information

1. It has been shown that success in an introductory accounting class is highly correlated with homework completion. The students who complete, and understand, all of the assigned homework, tend to do very well in this class. It is especially important for the online student to contact the instructor whenever he/she is confused with a particular topic.

2. All homework that is to be graded must be submitted to the instructor via the MyAccountingLab online portal. The MyAccountingLab setup will allow you the whole semester to complete (and rework) each homework assignment. You are encouraged to keep your homework completion paced with the course outline.

3. THERE WILL BE NO MAKE-UP EXAMINATIONS for the midterm examinations, and the final examination.

4. If you need a face-to-face meeting with the instructor, please contact him to arrange a time.

Academic Dishonesty

Students enrolled in this course are expected to abide by the academic honor code of the College. Acts of academic dishonesty will not be tolerated and will be dealt with in accordance with the College guidelines.

DISABILITIES ACCOMMODATION STATEMENT

If you have a physical, sensory, health, cognitive, or mental health disability that could limit your ability to fully participate in this class, you are encouraged to contact the Disability Specialist Counselor to discuss reasonable accommodations that will help you succeed in this class. Ann Lemke can be reached at 235-7448, lemke@hawaii.edu, or you may stop by Hale ‘Akoakoa 213 for more information.
