STUDENT LEARNING OUTCOMES

Upon successful completion of English 100, students should be able to complete the following as independent learners. The student learning outcomes are:

• Write complex and well-reasoned compositions in language, style, and structure appropriate to particular purposes and audiences.

• Engage in a writing process that includes exploring ideas, considering multiple points of view, developing and supporting a thesis, revising with the help of peer and instructor feedback, editing, and proofreading.

• Find, evaluate, integrate, and properly document information from libraries, the Internet, and other sources, with an eye for reliability, bias, and relevance.

• Read for main points, perspective, and purpose, and analyze the effectiveness of a variety of rhetorical strategies in order to integrate that knowledge into their writing.

WRITTEN COMMUNICATION HALLMARKS

1. Introduce students to different forms of college-level writing, including, but not limited to, academic discourse, and guide them in writing for different purposes and audiences.
2. Provide students with guided practice of writing processes -planning, drafting, critiquing, revising, and editing- making effective use of written and oral feedback from the faculty instructor and from peers.
3. Require at least 5000 words of finished prose-equivalent to approximately 20 typewritten/printed pages.
4. Help students develop information literacy by teaching search strategies, critical evaluation of information and sources, and effective selection of information for specific purposes and audiences; teach appropriate ways to incorporate such information, acknowledge sources and provide citation.
5. Help students read texts and make use of a variety of sources in expressing their own ideas, perspectives, and/or opinions in writing.
ONLINE ATTENDANCE

Students are not required to be online at a certain time for this course and have the flexibility to access the course at any time via laulima.hawaii.edu. However, all assignments must be completed by the due date and time specified. Computers are available for use at the Kaneohe Campus. Not having access to the Internet is not an excuse for missing assignments.

As with any credit course, you can expect to spend between 3-6 hours a week on this course. It is important that you plan to devote a regular block of time to this course each week. (I wouldn't recommend trying to squeeze this class in during the weekend.) Additionally, assignments are due often--sometimes you will have one or more assignments due every day during the week. Also, I will post announcements and send email quite often as well. So, plan on checking in daily Monday through Friday.

Attendance cannot be made-up. If you stop attending class and miss more than 20% of the class, you will fail the course. The last day of attendance will be recorded with the final grade.

Alternate Technology Access Plan:

In registering for a Distance Education course (Cable or Web) the student is responsible for finding immediate alternate access to a computer with Internet connectivity or cable television should that student experience technical difficulties. Technical difficulties can include but are not limited to problems with a student's computer hardware/software; inoperability of a student's VCR or DVR; or lack of service by a student's Internet Service Provider (ISP) or Cable Provider. Technical issues do not constitute the extension of an assignment, project, quiz or exam deadline unless agreed upon by the instructor.

An Alternate Technology Access Plan will be made by the student prior to the start of the semester and should be implemented immediately upon encountering technical difficulties. The student is required to continue course work as a result of having an alternate plan of access while independently resolving any technical issues with hardware/software, VCR/DVD, ISP, or Cable Provider.

COURSE INFORMATION

A course schedule appears on our laulima site. It will be your main source of information about assignment due dates. All assignments are explained in laulima. Below is information about the formal writing assignments and course work you will be expected to do.

ESSAYS:

- You will be writing four multiple-stage essays this semester. Good writing takes time and multiple revisions. By providing you with an opportunity to hand in a draft early in the process, you will be able to easily complete the assignment. This method helps you to understand the process it takes to turn in a good paper. It also provides you with ample time to complete and revise the assignment.
- For each essay, you must complete the outline, draft, revision and peer evaluation (when required) for full credit. Drafts (approximately one-half to three-fourths of the word count) and peer reviews are mandatory. Without these drafts and peer reviews, you will lose 20% or more of your grade on each assignment.
• The revisions of the position paper and proposal paper are mandatory and must be submitted to www.turnitin.com
• All papers must be in MLA format. Please be sure your files are saved as a .doc or a .docx file.

LIBRARY RESEARCH UNITS (LRU’S)

Complete the Library Resource Unit with a passing grade by December 1st, 2014. You must have a UH account and password in order to access the Library Resource Unit units online. The exam will be available in laulima or through the WCC Library link. You must pass all three tests with a score of 10 or more to pass them. You may take the examination twice on your own. If you score less than a 72% (10 or more on each section), then you must be tutored by a librarian before taking the exam a third time. If you do not take and pass these tests, you do not pass this class.

QUIZZES

Five quizzes can be found in laulima under tests and quizzes. Each quiz will be available to take an unlimited amount of time by the due date specified. If you like the score on the first attempt, keep it! If you don’t like it, you will need to follow the study plan suggested by the quiz and refer to chapters 38-42 of the Bedford text. When you have reviewed each section, re-take the quiz. The highest score is the score you will receive.

DISCUSSION QUESTION REPLIES - 15 POINTS (15%) – 1/2 point per posting

In order to become great writers, practice is required. To that end, we will be employing the use of discussion board postings in this class. A minimum of two posts per week is required: one post should be your own reply to the weekly discussion question; one additional post should be a reply to your classmates’ posts. There should be no concern for grammar, punctuation, paragraphs, etc., as the purpose of these entries is to provide you with practice writing and debating with your fellow classmates.

The most important part of an entry is the content. When you respond to another student’s posting, you must be respectful when responding. There is no tolerance for name-calling, degradation, or any other form of slander against another student. In other words, attack the issue or argument, not the person.

To earn full credit per week, each of your posts should be 100 or more words. Each post is worth ½ point so you can earn a point each week by posting twice per week for a total of 15 points.

NOTE: Posts can be made at any time. However, all weekly posts are due by midnight (HST) on the last day of each week (Sunday).
There are no required posts in the final week of class.

CLASS POLICIES

RESPECT IN THE VIRTUAL CLASSROOM

It is expected that you will demonstrate respect toward both the instructor and your fellow classmates. This is part of our shared responsibilities in a learning context. Given that cultural issues—such as ethnicity, race, gender, class, sexual identity, and relationship to land and place—can be controversial in ways that affect us personally, you must agree to put aside your differences for the duration of this class and demonstrate respect towards other people’s opinions. This respect is not merely “your” responsibility—as a member of the Windward Community College faculty, I have a responsibility to each of you to ensure that learning takes place in an intellectually safe and hostility-free environment. Put aside your differences and consider other people’s feelings in this class.

PLAGIARISM

Plagiarism includes but is not limited to submitting any document, to satisfy an academic requirement, that has been copied in whole or part from another individual’s work without identifying that individual; neglecting to identify as a quotation a documented idea that has not
been assimilated into the student’s language and style, or paraphrasing a passage so closely that the reader is misled as to the source; submitting the same written or oral material in more than one course without obtaining authorization from the instructors involved; or dry-labbing, which includes (a) obtaining and using experimental data from other students without the express consent of the instructor, (b) utilizing experimental data and laboratory write-ups from other sections of the course or from previous terms during which the course was conducted, and (c) fabricating data to fit the expected results.

*If* you are caught plagiarizing in any manner, it may result in a zero on the assignment. A plagiarized assignment cannot be made-up. Plagiarism may also cause a student to fail the class. This infraction is reported to the Vice Chancellor of Student Affairs, who may choose to impose an expulsion from the class or university.

**DEADLINES**

- Essays and other assignments are submitted and accepted only via the assignments tool in *laulima*. Emailed assignments are not accepted.
- Assignments are due by 11:55 p.m. (HST) unless otherwise noted on the schedule.
- Late Papers do not receive full credit and are only accepted 48 hours after the due date. After that point, late papers will not receive credit.
  - If for some reason you are unable to turn in an essay within the allowed time, you will receive a zero for that assignment. All students must write the proposal paper to be eligible to pass English 100.
- You may possibly receive partial credit for discussion forum/assignments that are posted less than 24 hours after the original due date.
- You may not take quizzes after the deadline.
- It is your responsibility to learn about and follow the official procedure for dropping classes. If you stop participating in this class but do not follow up to officially drop it, you will receive a failing grade.
- *An Incomplete for this course is only considered when less than 10% of all coursework is left to complete and only under extreme circumstances.*

**EMAIL**

Please email me using my <hawaii.edu> address. I will respond to email as quickly as possible. You can expect a response within 24 hours, except weekends and holidays when it may take up to 48 hours.

**EXTRA CREDIT**

If you are interested in earning extra credit, you must meet with the instructor during office hours to discuss this option. Extra credit is given only on a case-by-case basis and must be approved by the instructor.
