STUDENT LEARNING OUTCOMES

The student learning outcomes for the course are:  
1. Identify the following elements or dimensions: origin, doctrines, ethics, sacred literature, important figures/founders, rituals, worship, and institutions for each of the world’s major religious traditions.  
2. Identify the similarities and differences between two or more religions on the basis of the aforementioned dimensions.  
3. Examine the relationship between religion and culture/society.  
4. Question and think critically.
COURSE TASKS

1. Attendance is highly recommended. The exams will rely heavily on lecture material. If you miss class regularly, it will be detrimental to your success in this course.

2. Daily assignments are to be completed before class. For instance, if a reading assignment is listed on the course schedule for 9/1, the assignment should be completed before class meeting on that day. Please be sure to check Laulima daily for announcements, as the instructor will also assign supplemental material to the in-class lectures such as videos to watch and interactive sites to visit.

3. There will be occasional quizzes on both the reading assignments and the material from lectures available via Laulima. You will be responsible for completing quizzes on quiz dates, as listed on the course schedule. Quizzes can be taken in advance of the quiz date with prior approval from the instructor. Missed quizzes cannot be made up, since they will be available online. Failure to complete a quiz will result in a zero grade.

4. In addition to the quizzes, there will be three exams, including the final. Attendance at all three exams is mandatory. If you know in advance that you will miss an exam, please contact the instructor to reschedule. If, for any unforeseen reason, you miss an exam, you must email the instructor immediately to reschedule, providing proof (and a very good explanation) for the absence. If a make-up exam is permitted by the instructor, the exam will be essay format.
