**COURSE TASKS**

This course will be delivered entirely online through the University of Hawai‘i course management system Laulima along with alternative technologies including artist and museum websites, blogs, once per week Laulima discussion forum, and a series of videos. You will use your Laulima account to login to the course. Assignments and materials can be found in the Resources folder organized by week.

Each lesson will last the duration of an on-campus course session. For example, when a video is required, the play length will be one hour and fifteen minutes, the equivalent of an on-campus session. In addition to the weekly online lessons, students are required to complete homework assignments and readings.

**ASSESSMENT TASKS AND GRADING**

The learning outcomes will be met through a combination of 3 art projects; weekly participation points; 8 sketchbook assignments, and 5 short writing assignments. Midterm consist of longer writing assignments (2 pages, instructions will be provided) and the Final
consists of an art project and writing assignment. This class does not have any tests or quizzes.

3 art projects: 20 points each (x 3) = 60pts
Weekly participation: 4 points each (x 12) = 48pts
5 short writing assignments: 10 points each (x 5) = 50pts
Sketchbook Assignments 8 points each (x 10) = 80
Midterm paper: 20 points
Final project and paper: 30points
**Total possible points: 288 points**

**Letter Grade Assignment**

<table>
<thead>
<tr>
<th>Letter Grade</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>

<td>90-100%</td>
</tr>
<tr>
<td>B</td>

</tr>
<tr>
<td>D</td>
<td>60-69%</td>
</tr>
<tr>
<td>F</td>
<td>0-59%</td>
</tr>
</tbody>
</table>

**Grading for weekly discussion posts**
In determining your grade, the following components are considered:

- Each student is required to post one original statement in response to a given topic provided by me (i.e. “replies” to other students do not count as a post).
- I send weekly instruction announcements and make resources available on Fridays.
- Discussion topics are posted on the Laulima discussion forum on Wednesdays.
- All assignments and discussion posts are due on Friday (Friday night no later than midnight). See the course schedule at the end of the syllabus. Follow the syllabus schedule very closely.
- Note: the weekly participation points amount to 48 points total – nearly the same amount as the than the midterm and final combined (50 points total). Weekly participation is an important component to this course.

**Quality of discussion posts and written assignments**
- Each of your posts must relate to the assigned image(s) using concepts and terminology discussed in class. Terminology such as line, value, form, proportion, composition, among others will be covered in class lectures and should be used in posts in order to demonstrate your understanding of course material and an effort toward understanding
the image being discussed.

- Connections between lecture content, textbook content, and discussion should be exhibited.
- Discussion posts must be submitted in complete sentences. This is not Twitter.
- Relate new information with material previously covered in the class as well as with personal art experiences whenever possible.
- Discuss at a critical level – don’t just recite other people’s opinions or random facts from the readings.
- Critical discussion includes your opinion of items mentioned, but also includes the reasons you hold that opinion, and why it may be inconsistent or consistent with what you’ve learned. Justify your reasoning with facts or research including visual references and/or literature sources. How does what you’re presenting relate to other art situations, other disciplines, or other ideas?

**Additional Information**

See the class schedule below and Netiquette handout for additional course information.

As the instructor, I will serve as a guide on the Discussion Board. While I will not respond to every post, I will read what is posted, and reply when necessary. Expect instructor posts in the following situations:

- To assist when it comes to making connections between discussion, lectures, and textbook material.
To fill in important things that may have been missed.
To re-direct discussion if tangents detour the discussion away from the class topic.
To identify key points in the discussion that warrant additional thought.
The instructor reserves the right to remove any discussion messages that display inappropriate language or content.

Assignment Submissions
All assignments for this course will be submitted electronically through Laulima as uploaded word docs, pdfs, or jpg images using the Laulima Dropbox function. Assignments must be submitted by the given deadline or special permission must be requested from instructor before the due date. Because the laulima discussion forum is meant to be a dialogue, late posts are not accepted, as fellow students do not see submissions made after the midnight deadline.

Important Note: Any form of academic dishonesty, including plagiarism, may be reported to the office of student affairs. Plagiarism is the use of ideas or works belonging to someone else without acknowledging that person’s contribution. For more information on plagiarism see: http://www.plagiarism.org/

Late Work Policy
Be sure to pay close attention to deadlines—there will be no make-up assignments or discussion posts. Late work will NOT be accepted without a serious and compelling reason and instructor approval.

Drop/Withdrawal from This Course
It is the student’s responsibility to understand when they need to consider dropping or withdrawing from a course. Refer to the Windward Community College Course Schedule for registration dates and deadlines.
