Attendance & Active Participation
Attending class regularly is essential to succeeding in this course. If you are absent, check the Announcements page in Laulima to see what was covered on the day/s you missed. For distance learning courses, attendance consists of checking into Laulima at least once a week and completing the required weekly assignments. Students who are bordering in-between grades will automatically be given the higher grade if they have been actively participating in class discussions and have attended class regularly.

Incompletes & N grades
No Incompletes or N grades will be given in this course. You must take responsibility to complete the course or withdrawal.

LEARNING RESOURCES

MYIT Lab ($95 approximate)
MyITLab is an online course management system that will include simulations, exams, grader projects and various learning resources. You will need to purchase a MyITLab access code during the first week of instruction. A MyITLab access code can be purchased online for approximately $95 online. The procedures for registering will be covered during the second week of the course. MyITLab access codes can also be purchased through the WCC bookstore, but it is significantly cheaper to purchase the code online. Important Note: You will need to purchase the MyITLab to successfully complete this course. The MyITLab s will account for 50% of your Final Grade.

Laulima: Laulima is an online course management system and will be used extensively in this course. The class schedule, assignments, and announcements will be posted and administered through Laulima. https://laulima.hawaii.edu/portal The class Announcements will also include the Due Dates for any course work that may be due at the end of each week. It is CRUCIAL to check your email, the Course Schedule, and the Announcements page regularly to make sure you are keeping up with the requirements and pace of the course.
Computer Platform
This course is designed to be completed using a PC. **Important Note:** Although it is possible to complete this course using a Mac, technical support for Mac users will be available on a limited basis.

Required Software
The majority of the assigned work for this course focuses using the software applications in Microsoft Office 2013 or above. **Important Note:** If you do not have a copy of the Microsoft Office Software, you click here to download free version of Office 365 that is available to WCC students.

Computer Lab Paper
The Academic Computing Services grants each new Windward Community College student an initial paper allowance for printing documents. Once it is used, students have to pay for paper usage at the Library. This policy will be discussed in the first week of our class. Please arrange for paper credit at the Library to avoid last-minute dashes to the Library during exams. **Important Note:** Although it is possible to complete this course using a Mac, technical support for Mac users will be available on a limited basis. POLICIES

Late Work Policy
All Course Work must be completed by the assigned due dates. (See Assignments, Tasks, Grades on Page 2).

Exceptions will be made at the discretion of the instructor in the event of unforeseen circumstances (e.g. illness, housing, death in family) that may occur during the semester.

Disabilities Accommodation Statement
If you have a physical, sensory, health, cognitive, or mental health disability that could limit your ability to fully participate in this class, you are encouraged to contact the Disability Specialist Counselor to discuss reasonable accommodations that will help you succeed in this class. Ann Lemke can be reached at 235-7448, lemke@hawaii.edu, or you may stop by Hale ‘Akoakoa 213 for more information.

Academic Dishonesty—Cheating and Plagiarism
Students assume full responsibility for the content and integrity of the academic work they submit. The guiding principle of academic integrity shall be that a student's submitted files, work, examinations, reports, and projects must be that of the student's own work. See the Windward Community College catalog for details. Students shall be guilty of cheating if they:

- Represent the work of others as their own (plagiarism).
- Use or obtain unauthorized assistance in any academic work.
- Give unauthorized assistance to other students.
- Modify, without instructor approval, an examination, paper, record, or report for the purpose of obtaining additional credit.
- Misrepresent the content of submitted work.

**Important Note:** If you are caught cheating in any area of the course, you may be placed on probation for a semester.

ICS 101 Fall 2016
A NOTE FROM THE INSTRUCTOR

Please feel free to contact me anytime during the semester (email is best) if you have any questions, problems, or concerns regarding the course. I check my email multiple times a day and respond to all emails promptly. I am also available to meet through face-to-face, over the phone, and through online appointments. You may also contact me if there are unforeseen circumstances (e.g. illness, housing, death in family) that may occur during the semester. If I do not have the knowledge or resources available to help you, I will refer you to a specific department or faculty member that does.
