Catalog Description:

HIST 152 is a survey course focusing on the historical development of selected areas of the world from the 16th century to the present. Emphasis is placed on analysis of the impact of industrialization, East-West interaction, and the rise of nationalism (3 hrs. lect)
WCC: FG

Instructor’s Note:

The world we live in today is more interconnected than ever before. Nonetheless, what we see today is merely the end result of a process that has been going on for thousands of years, namely, the movement and interaction of peoples and ideas across the globe. In this course we will trace the development of complex societies around the globe, starting from 15th century and ending in the present. In so doing we will focus on the ways in which people and ideas have been spreading around the globe, laying the foundation for the interconnected world in which we live today.

Foundation Requirements and Hallmarks

HIST 152 fulfills 3 credits in Group B of the General Education requirement (Foundations: Global and Multicultural Perspectives) for both and A.A. degree at WCC and a Bachelor’s degree at UH Manoa. Consequently, it meets the following hallmarks of global and multicultural perspectives:

1. Provide students with a large-scale analysis of human development and change over time.
2. Analyze the development of human societies and their cultural traditions through time in different regions (including Africa, the Americas, Asia, Europe, and Oceania.)
3. Offer a broad, integrated analysis of cultural, economic, political, scientific, and/or social development that recognizes the diversity of human societies and their cultural traditions.
4. Examine processes of cross-cultural interaction and exchange that have linked the world’s peoples through time while recognizing diversity.
5. Include at least one component on Hawaiian, Pacific, or Asian societies and their cultural traditions
6. Engage students in the study and analysis of writings, narratives, texts, artifacts, and/or practices that represent the perspectives of different societies and cultural traditions

Student Learning Outcomes

The student learning outcomes for the course are:
1. Identify important individuals, places, organizations and concepts in modern world history.
2. Arrange, in chronological order, significant events in world history.
3. Describe and analyze global processes from 1500 C.E. to the present (e.g. human migration, ecological forces, imperialism, decolonization, industrialism, nationalism, globalization.)
4. Explain cause and effect relationships in history.
5. Compare and contrast historical experiences across cultures and time.
6. Relate historical events to contemporary issues and events.

Method of Instruction: Online

Ask yourself if online is the right method of instruction for you. If you are very independent, organized, focused, and tech-savvy, you should do fine in an online course. On the other hand, if these traits do not describe you, please seriously consider taking a traditional (face-to-face (F2F)) class. Seriously. This class is tough online! Tread carefully….

* This course will expect that you are able to independently read, comprehend the “facts” on your own, complete the assignments, and navigate through Laulima with little guidance.

* Keeping on track is a must in this class. Always refer to the Class Schedule that is included in this syllabus. Remember that this is an online class and that you are responsible for completing everything listed in the Class Schedule basically on your own. I will be able to communicate with you through email and discussion boards, but much of the work this semester you will have to complete on your own. **This means that EVERY WEEK you will be expected to read 1-2 chapters in the textbook, any additional readings in the form of books or articles, and complete the corresponding assignments as scheduled in the Class Schedule. There is a lot of writing in this class!** If this sounds overwhelming (and to many it will!), then please drop the class and enroll in a traditional class.

* Check **ANNOUNCEMENTS** on the Main Page in Laulima for any announcements pertaining to our class. I will post an Announcement each Monday throughout the semester, so be sure to check the Announcements on Laulima each week (important class information, instructor’s reaction to students’ Discussion Board posts, etc). Furthermore, you should check your UH email account frequently (you are required to
use your UH email account, however you can have your UH email forwarded to any email that is more convenient).

* Make sure you adhere to the completion dates. **Late work will not be accepted.**

**Course Requirements:** The class consists of the following tasks that serve as both learning and assessment tools for the purpose of measuring your learning and your ability to meet the course SLOs.

* **Complete 6 (out of a possible 16) Textbook Assignments (TA)** (based on chapter readings in the textbook *Traditions and Encounters*) You can choose any 6 textbook assignments that you wish, but whichever you choose, they must be completed by the date specified on the class schedule (located at the end of the syllabus), so plan your semester wisely (choose your favorite subjects, get them all done in the first six weeks, or space them out evenly throughout the semester, it is up to you! I wouldn’t recommend waiting until the end as many of the required supplemental reading).

* **Complete 6 Required Reading Assignments (RRA)** based on the 4 supplemental books and 2 Laulima readings. Unlike the textbook assignments, **you MUST COMPLETE ALL 6 IN ORDER TO PASS THE COURSE**, so be sure to know when these six assignments are due (check your class schedule often to see what is due).

The assignments and due dates are designated in the Class Schedule found in this syllabus. The assignments will be distributed through Laulima and can be found in the Resources folder on your Laulima class page. The assignments are to be turned in through Laulima’s Dropbox by 11:59 pm (Hawaii Standard Time) on the Sunday of the week in which it appears on the Class Schedule (i.e., Week One’s (Aug 20-26) assignments will be due by 11:59 PM, Sunday, Aug 26). If you miss a due date, you cannot make up the missed assignment, so time management is essential. Each assignment is worth **20 points**, for a total of **120 points**.

* **Post 16 (one each week) discussion comments on the discussion board on Laulima.** This is easy! All you have to do is post a comment to one of the discussion questions of the week which I will post at the beginning of each week (approximately 250 words). It’s that simple! Just one comment per week will fulfill the requirement. It is our only chance to feel like a connected class, but it will not be successful without your participation and support! Each post is worth **10 points**, **160 points possible. Like the textbook assignments, DB posts must be completed by midnight on the Sunday of each week.** There will also be extra credit posts available each week, so be sure to complete those too! They are a good way to soften the impact of the exams.

* **Complete a midterm and a final examination.** Each exam is similar in that there are three sections: a matching section worth 30 points; a short Identification section worth 20 points; and an essay section worth 50 points. You can find the study guide on Laulima. A high degree of preparation is strongly recommended. I am always available through office hours or email if you need help. You will complete these exams by a certain date (see class schedule) and all exams will be taken at Windward Community College’s testing center (please contact me if you are not on Oahu).
sure to bring a valid ID with you as the testing center will not allow you to take the exam without one. Each exam is worth 100 points, for a total of 200 points for the semester.

**Grade Scale:**

- 600-540: A
- 539-480: B
- 479-420: C
- 419-360: D
- 359-0: F

Think of it this way. As of the first day of the class, you have a total of 600 points, a perfect A. If you lose 60 points, you will drop a letter grade. So my best advice is to keep up with all of the readings and stay ahead of the final deadline just in case of an emergency. **REMEMBER: THERE IS NO PENALTY FOR COMPLETING THE WORK EARLY!!!**

Finally, be aware that **CHEATING and PLAGIARISM** are considered **ACADEMIC FRAUD** under the Student Code of Conduct. **Ignorance of what constitutes plagiarism is no excuse.** Any student caught cheating or plagiarizing will receive a failing grade for this course. **INCOMPLETES** are not granted for this course.

**Statement on Student Responsibilities**

In instructional activities, students are responsible for meeting all of the instructor's attendance and assignment requirements. Failure to do so may affect their final grade. In all college-related activities, including instruction, they must abide by the college's codes and regulations, refraining from behavior that interferes with the rights and safety of others in the learning environment. Finally, if they decide to file a grievance, they are fully responsible for providing proof that they have been wronged.

**Disability Support Services:** If you have a documented disability and have not voluntarily disclosed the nature of your disability and the support you need, please come and see me ASAP.
DISABILITIES ACCOMMODATION STATEMENT

If you have a physical, sensory, health, cognitive, or mental health disability that could limit your ability to fully participate in this class, you are encouraged to contact the Disability Specialist Counselor to discuss reasonable accommodations that will help you succeed in this class. Ann Lemke can be reached at 235-7448, lemke@hawaii.edu, or you may stop by Hale ‘Akoakoa 213 for more information.

CONSULT instructor if you need help, advice, encouragement, or have questions about the course. See me during office hours or make an appointment if scheduled hours are inconvenient.

ADVICE?

Learn to admit when you don’t know something, and NEVER be afraid to ask questions. Remember: there are no stupid questions! The best three word phrase to utilize this semester is simple: “I don’t know.” Be brave enough to admit that and you will go far in this class, and in life!

Socrates: […] οὖτος μὲν οἶεται τι εἰδέναι οὐκ εἰδώς, ἐγὼ δέ, ὥσπερ οὖν οὐκ οἶδα, οὐδὲ οἶμαι

– This man, on one hand, believes that he knows something, while not knowing [anything]. On the other hand, I – equally ignorant – do not believe [that I know anything].

Which person would you rather be? The one who pretends to know everything? Or the one brave enough to admit that they do not?
