HOMEWORK

All assigned homework must be submitted via the MyAccountingLab online portal. MyAccountingLab allows you multiple attempts at each homework problem. The student is given the whole semester to complete all of the homework assignments. Because it is very easy to fall behind to a point where catching up is extremely difficult, you are strongly encouraged to pace your homework completion to follow the progression of the topics as listed in the course schedule (see the last page of the syllabus). Your final homework grade will be determined using an export of your homework scores from MyAccountingLab on May 2, 2019 at 5:00pm.

Windward Community College is an equal opportunity, affirmative action institution.
Any homework that is submitted after **May 2, 2019 at 5:00pm** will not be considered when computing your overall course grade.

**QUIZZES**
In MyAccountingLab, you will find a chapter quiz for each assigned chapter. You are required to take the chapter quiz once you have completed the homework for the chapter. Your final points for quizzes will be determined using an export of your quiz scores from MyAccountingLab on **May 2, 2019 at 5:00pm**. Any quizzes that are submitted after **May 2, 2019 at 5:00pm** will not be considered when computing your overall course grade.

**MIDTERM & FINAL**
The midterm and final exams are proctored exams. Students will be given a one (1) week window to complete each exam and will have the option of: 1) using the WCC testing center or another reputable testing center; or 2) taking the test in-class during the class meeting time. Approximately one (1) week prior to each exam, the instructor will send the class a review announcement, providing students with areas to review before taking the exam.

**DISCUSSION & PARTICIPATION**
The semester is 16 weeks long, starting on January 7, 2019 and ending on May 2, 2019 (last day of instruction). Students will be assigned to a discussion group. Students are required to participate in weekly group discussions in Laulima. These discussions are to be held in Laulima under Forums. Each student in a forum must show substantial interaction with his/her fellow teammates by posting and responding in the Laulima forum. The discussion should focus on the course material. The objective of the discussion is to come up with questions to ask the instructor. Each team will develop four (4) questions for the instructor over the sixteen (16) week semester.

**OVERALL GRADE**
Students’ individual letter grades will be given at the end of the course and will be based on their overall accumulation of earned points as detailed in 2. above. **Note: Percentages and points shown at the Laulima website, and at the MyAccountingLab website, are unofficial, and may differ significantly from the student’s final course grade.
