Attendance & Active Participation

Attending class regularly is essential to succeeding in this course. For distance learning courses, attendance consists of logging into Laulima at least once a week to check the weekly announcements. **Important Note:** At the end of the semester, students bordering in-between grades (e.g. 4 points or less) will automatically be given the higher grade if they have attended class regularly and have actively participated during class discussions.
Software, Hardware & Learning Resources

Audacity: Audacity is an audio editing software application that can be downloaded for free from Audacity download Audacity will be used for completing various assignments and projects in this course.

Adobe Premiere Elements 2019: Adobe Premiere Elements Premiere Elements 2019 is a video editing software application and will be used for completing various assignments and projects in this course. Adobe Premiere Elements can be purchased and downloaded from Adobe.com for approximately $69-$99.

Important Notes:
- The Adobe prices have been known to change weekly.
- Adobe frequently offers Student/Teacher discounts on their software bundles. These bundles are often more in price, but include an additional software application (e.g. Photoshop Elements 2019)

Adobe Premiere Elements Available for use of Campus: Premiere Elements will be installed in on 2 computers on the second floor of the Library. Computer #15 for PC and Computer #45 for the Mac. Please ask a librarian for assistance in locating these computers. There will also be a Premiere Elements installed on 1 computer in Palanakila 124. Please contact me for the lab hours if you are interested in using a computer in the lab.

Additional Note: You do not have to use, download, or purchase Audacity & Adobe Premiere to complete this course. You may use an application that you have access to and/or are already familiar with. Please be aware that the majority of the course Modules, Assignments, Tutorials, and Projects are based around Premiere Elements. If you do not use Audacity and Premiere Elements, you will be responsible for learning the software skills necessary to complete the requirements of the course using the software you have chosen to work with.

Cameras: You will be required to provide your own video camera to compete this course. A video camera on a smart phone will be more than adequate to complete the Assignments and Projects for this course. If you are interested in borrowing a video camera, please contact Christy Lawes in the library. There are brand new cameras that are available for ICS 123 students to checkout from the library. In addition to the cameras in the library, there are 2 GoPro cameras that available for students to check out. If you are interested in borrowing a camera, contact Robery Barclay from the English department.

Microphones: It is suggested that you use an external mic (e.g. USB, Bluetooth) for completing projects and assignments. You can also use a recording/dictation app from a smart phone or the built-in mic in your computer’s operating system. If you are interested in borrowing an external microphone, please contact Christy Lawes in the library.
Laulima: Laulima is an online course management system and will be used extensively in this course. The course schedule, assignments, and announcements will be posted and administered through Laulima. Laulima Portal The class Announcements will also include the Due Dates for any course work that may be due at the end of each week. It is crucial to check your email, the Course Schedule, and the Announcements page regularly to make sure you are keeping up with the requirements and pace of the course.

Policies

Late Work
All Course Work must be completed by the assigned due dates. Exceptions will be made due to extenuating circumstances (e.g. illness, housing, death in family).

Communication
Communication is vital to succeeding in this course. You will be notified well in advance regarding course work that will be due from week to week. It is crucial that you review the weekly Laulima Announcements and check your email on a regular basis.

Technical Support
Due to the online format and the countless variables (e.g. computer platforms, OS) from computer to computer, you will be responsible for resolving any technical issues you may occur throughout the semester. The following online forums are excellent resources for resolving technical issues and learning various production techniques.

- Audacity - Audacity Forums
- Adobe Premiere Elements
  - Chat Support - https://helpx.adobe.com/contact.html?step=PRE
  - Forum Support Premiere Elements Forums

If you are not using Audacity or Premier Elements, it is suggested that you do an online search of user groups that specialize in the software application you are using.

Community Guidelines
All students in ICS 123 will be expected to follow the Community Guidelines of Youtube (see below) when participating in class Discussions and submitting Assignments and Projects for this course. YouTube Community Guidelines

Deviations from these guidelines will be considered a VIOLATION OF THE WCC STUDENT CONDUCT CODE. http://studentaffairs.manoa.hawaii.edu/policies/conduct_code/

Disabilities Accommodation Statement
If you have a physical, sensory, health, cognitive, or mental health disability that could limit your ability to fully participate in this class, you are encouraged to contact the Disability Specialist Counselor to discuss reasonable accommodations that will help you succeed in this class. Ann Lemke can be reached at 235-7448, lemke@hawaii.edu, or you may stop by Hale ‘Akoakoa 213 for more information.

Academic Dishonesty—Cheating and Plagiarism
Students assume full responsibility for the content and integrity of the academic work they submit. The guiding principle of academic integrity shall be that a student's submitted files, work, examinations,
reports, and projects must be that of the student's own work. See the Windward Community College catalog for details. Students shall be guilty of cheating if they:

- Represent the work of others as their own (plagiarism).
- Use or obtain unauthorized assistance in any academic work.
- Give unauthorized assistance to other students.
- Modify, without instructor approval, an examination, paper, record, or report for the purpose of obtaining additional credit.
- Misrepresent the content of submitted work.
