ANSC 153L, COMPANION ANIMAL NURSING LAB
Number of Credits: 1 (CRN 60154, 60155, 60156, 60157)
  Tuesday: 11:30 - 2:15 PM
  Tuesday: 2:30 – 5:15 PM
  Wednesday: 11:30 – 2:15 PM
  Wednesday: 2:30 – 5:15 PM

INSTRUCTOR: Matthew Tsuda
OFFICE: Hale Kako‘o 125
OFFICE HOURS: Tuesday 5:30 – 6:30 PM
TELEPHONE: 808-343-7507 EMAIL: mttsuda@hawaii.edu
EFFECTIVE DATE: Spring 2019

WINDWARD COMMUNITY COLLEGE MISSION STATEMENT

Windward Community College offers innovative programs in the arts and sciences and opportunities to gain knowledge and understanding of Hawai‘i and its unique heritage. With a special commitment to support the access and educational needs of Native Hawaiians, we provide the Ko‘olau region of O‘ahu and beyond with liberal arts, career and lifelong learning in a supportive and challenging environment — inspiring students to excellence.

CATALOG DESCRIPTION

This course provides students with hands-on training in basic companion animal exam and nursing skills. Topics include: animal restraint methods, medical charting and patient exam procedures, specimen collection, administration of medications, grooming and husbandry. This course is intended for students entering veterinary technology, veterinary assisting or other animal-related fields (3 hours laboratory)

Pre-Requisite(s): Credit for or registration in ANSC 153 lecture

STUDENT LEARNING OUTCOMES

The student learning outcomes for the course are:

1. Safely and effectively restrain companion animals
2. Gather subjective and objective patient information efficiently
3. Perform venipuncture and collect diagnostic samples of skin, blood, urine, and feces
4. Perform basic grooming such as bathing, nail trims, and ear cleaning
5. Apply emergency splints and bandages & administer medications by various routes (IV, IM, SQ, & PO).

### COURSE CONTENT

Concepts or Topics
- Implement proper husbandry and housing techniques
- Perform proper restraint
- Obtain subjective and objective patient information
- Properly bathe, perform nail trims, and ear cleanings on dogs and cats
- Administer medications (oral, topical, and injectable)
- Perform cephalic, saphenous, and jugular venipuncture on dogs
- Perform cephalic, saphenous, and jugular venipuncture on cats
- Place and maintain IV catheters
- Collect diagnostic specimens including blood, urine, feces, and ear and skin samples

### COURSE TASKS

1) Attend class at scheduled times
2) Participate in lab activities
3) Complete reading assignments before class
4) Complete two in class practicums
5) Complete 20 hours of kennel duty on campus and 40 hours of service learning at an animal shelter at scheduled times
6) Complete the lab notebook

### ASSESSMENT TASKS AND GRADING

LAB NOTEBOOK (50 points). Each student must maintain a lab notebook with completed lab handouts, this will be turned and graded at each practicum. If lab activities are not completed then the student will receive “0” points for the notebook. The layout for the notebook will be discussed in class.

LAB PRACTICUMS (200 points total - 100 points for each practicum). The student will take 2 lab practicums (cumulative) to demonstrate knowledge and understanding of information presented in lab activities.

SERVICE LEARNING (40 points) AND KENNEL DUTY (20 points). Students are expected to complete 40 hours at one instructor approved Animal Shelter (OSPCA) and 20 hours caring for the nursing/surgery animals in Imiloa. Grading will be based on performance in class and completion of check off lists from shelter. Details will be discussed in class. Shelter location may be changed prior to the start of the semester.

PARTICIPATION (40 points). Students will be given participation points in each lab. If a student is unprepared, the student will receive “0” points for the lab. In addition, students who do not work well in groups and/or do not engage in lab, show little or no motivation and/or are not
proactive, will get points deducted at the instructor’s discretion.

**ATTENDANCE** Please refer to the Student Handbook for attendance policies. You are expected to attend every lab without discretion. If you have a legitimate excuse or legitimate illness, you must contact the instructor within 48 hours prior to the intended lab date.

**LEARNING RESOURCES**

**REQUIRED MATERIALS FOR LAB** (These items must be purchased during the first week of lab)

1. 3 ring binder (to assemble handouts)
2. Clip board
3. Black inked pens and yellow highlighter

**LAB ATTIRE, CONDUCT, AND HYGIENE**

Because this lab involves the use of hazardous materials, students MUST wear close-toed shoes. In addition, some lab activities will require students to wear gloves and safety glasses (provided by college). A long-sleeved lab coat will be required for ALL labs. Lab coats must be purchased prior to the start of the semester. Students failing to dress appropriately for lab will not be permitted to participate in laboratory exercises and will be considered absent. Students engaged in conduct that threatens themselves or others in the lab will be refused access to the lab for the remainder of the semester and receive an “F” grade for the course. Students who behave in a reckless, inhumane, or unsafe manner will receive an “F” grade and be barred from attending future classes.

**LAB SAFETY RULES**

1) Be familiar with lab safety procedures and take appropriate precautions at all times to insure the safety of all lab students.
2) Follow all instructions carefully, especially when hazardous materials are being used.
3) Know the locations of important safety equipment: eyewash, safety shower, fire extinguisher, and first aid kit.
4) Report all injuries to the instructor immediately.
5) Dress appropriately for lab. Closed toe shoes are required for ALL labs. Safety glasses and gloves are required for labs utilizing chemicals, bodily fluids, or hot-plates.
6) Report any hazardous conditions (e.g. chemical spills or broken glass) to the instructor immediately.
7) NO FOOD ALLOWED IN LAB.
8) Chemicals used in lab may be poisonous, corrosive, or flammable. No chemicals, even those known to be safe, should be ingested or touched with un-gloved hands unless you are specifically directed to do so by your instructor.
9) Know how to safely operate all lab equipment and tools (e.g., microscopes, scalpels, and hematology supplies). Your instructor will demonstrate safe usage.
10) Clean all lab supplies and return them to their proper location before leaving lab.
11) Treat all organisms, living or dead, with care and respect. Use gloves when handling dissected specimens.
12) Place broken glass, sharps, and dissected specimens in the appropriate receptacles (NOT IN THE TRASH!)
13) Unless otherwise instructed, chemical wastes should NOT be disposed of down the drain.
14) Human tissues and bodily fluids (e.g., saliva and blood) must be disposed of in appropriate biohazard containers (NOT IN THE TRASH!)
15) Wash your hands immediately following each lab to reduce the possibility of contamination or infection.

## DISABILITIES ACCOMMODATIONS

If you have a physical, sensory, health, cognitive, or mental health disability that could limit your ability to fully participate in this class, you are encouraged to contact the Disability Specialist Counselor to discuss reasonable accommodations that will help you succeed in this class. Ann Lemke can be reached at 235-7448, lemke@hawaii.edu, or you may stop by Hale ‘Ākoakoa 213 for more information.

## TITLE IX

Title IX prohibits discrimination on the basis of sex in education programs and activities that receive federal financial assistance. Specifically, Title IX prohibits sex discrimination; sexual harassment and gender-based harassment, including harassment based on actual or perceived sex, gender, sexual orientation, gender identity, or gender expression; sexual assault; sexual exploitation; domestic violence; dating violence; and stalking. For more information regarding your rights under Title IX, please visit: [https://windward.hawaii.edu/Title_IX/](https://windward.hawaii.edu/Title_IX/).

Windward Community College is committed to the pursuit of equal education. If you or someone you know has experienced sex discrimination or gender-based violence, Windward CC has resources to support you. To speak with someone confidentially, contact Karla Silva-Park, Mental Health Counselor, at 808-235-7468 or karlas@hawaii.edu or Kaahu Alo, Designated Confidential Advocate for Students, at 808-235-7354 or kaahualo@hawaii.edu. To make a formal report, contact the Title IX Coordinator at 808-235-7393 or wcctix@hawaii.edu.

## ACADEMIC INTEGRITY (This section is optional)

Work submitted by a student must be the student’s own work. The work of others should be explicitly marked, such as through use of quotes or summarizing with reference to the original author.

Students can upload papers to [http://www.TurnItIn.com](http://www.TurnItIn.com) to have papers checked for authenticity, highlighting where the paper potentially fails to appropriately reference sources.
In this class, students who commit academic dishonesty, cheating or plagiarism will have the following consequence(s):

Students will receive a failing grade for plagiarized assignments.

All cases of academic dishonesty are referred to the Vice Chancellor for Student Affairs.

ALTERNATE CONTACT INFORMATION
If you are unable to contact the instructor, have questions that your instructor cannot answer, or for any other issues, please contact the Academic Affairs Office:
