MYECONLAB: (50% of your grade). For this online course, you will be doing homework assignments, quizzes and experiments through an online course management system called MYECONLAB. MYECONLAB is meant to be a user-friendly interface and is used by thousands of students in the United States to help supplement their learning in economics. Instructions on how to set up your MYECONLAB account are on the LAULIMA website (<http://laulima.hawaii.edu>), specifically in RESOURCES. Access to MYECONLAB is free, and this includes access to the MYECONLAB problem sets as well as an electronic copy of your textbook. You will need a separate MYECONLAB username and password to access your MYECONLAB account. It would be a good idea to use the same username and password as your MYUHPORTAL account. Here are the types of MYECONLAB assignments:

- MYECONLAB HOMEWORK-These are homework assignments that are to be completed online and are graded by MYECONLAB. There is one homework set due per week, each homework set will cover the chapters for that week.. **You will have multiple attempts to do these homework assignments and your final grade will be the highest of these attempts.** Keep in mind that the problems are randomized, so that you will not see the exact same problem in your next attempt. Due dates on Saturdays at 11 pm.
- MYECONLAB QUIZZES-There will be one quiz per week, all to be taken on MYECONLAB. **You will only have one attempt to do these exams and the exams are timed.** Due dates on Saturdays at 11 pm, this is when the grade will be released.
- MYECONLAB EXPERIMENTS-There will be a couple of experiments to be done within MYECONLAB. Due dates on Saturdays at 11 pm.
- Grades will be given automatically for the MYECONLAB ASSIGNMENTS.
- THERE WILL BE NO MAKEUPS FOR THE MYECONLAB ASSIGNMENTS.
- Quizzes will count for 25% of the grade, all other MYECONLAB assignments will count for 25% of the grade.
- I will have a detailed time-line for you to follow that will include tasks to perform and all of the due dates for the various assignments via the

schedule tool as well as this syllabus. This timeline will also be available via MYECONLAB as well.

READING THE TEXTBOOK: You will really need to read and pay attention to the textbook during this course as it is online.

LAULIMA ASSIGNMENTS (25% your grade)

- **LAULIMA DISCUSSION FORUMS:** These forum assignments will have you state any questions, issues or concerns regarding your MYECONLAB work for the week. There will be five of these assignments. You will first start a conversation (due on Thursdays) and then two responses to another person's topic (due on Saturdays) through Laulima Forums. There is a 75-word minimum for topics and a 40 word minimum for responses to those topics. Due time is 11 pm.
- **THERE WILL BE NO MAKEUPS FOR THE FORUM ASSIGNMENTS.**

ARTICLE ANALYSES: 25% of your grade (100 points). There will be one article analysis due during the semester on the various topics that we have covered up that point. Instructions for this assignment are included in your handout. The Article Analysis will be due on June 27 at 11 pm. **THERE WILL BE NO MAKEUPS FOR THE ARTICLE ANALYSIS.** Please turn in your Article Analysis via Laulima Dropbox. I will download the papers, grade them and then upload them back to Dropbox for you to read.

Your article analysis handout will be on the **RESOURCES** tab in the LAULIMA course website. There are also sample papers in there as well.
