ONLINE ENVIRONMENT CONSIDERATIONS

1. ONLINE CLASSES PROVIDE OPPORTUNITIES FOR STUDENTS AWAY FROM THE CAMPUS, AND SOME DEGREE OF FLEXIBILITY. There are, however, LIMITATIONS to the flexibility! “Back in the day”, before the internet, the “Correspondence Course” was an alternative to the traditional “face-to-face” class. You mailed away for the course, got the books and the instructions in the mail, mailed homework to your instructor, got your exams

proctored at nearby testing center, etc. Typically, you had about 6 months to complete the course, and how you did it was up to you! You could manage your time and do your homework on a weekly basis, or do a lot up front and finish early, or wait until the last minute and either finish or ask for an extension. This is NOT THE CASE with online instruction! In this class, there are requirements that MUST be accomplished on a WEEKLY basis. There is some flexibility as to what part of the week you will do your work, and there are NO REQUIREMENTS in this particular class to attend online meetings at a particular time, but the work MUST be done on a weekly basis.

2. LAULIMA is the tool that is used to manage every aspect of this class. Many of you may already be familiar with LAULIMA from traditional classes, and it is a great tool for online. The cornerstone for this class is the “Weekly Announcement” that I will publish either Sunday night, or Monday. It serves three purposes: First, it is a recap of the previous week. Second, it is an introduction to the coming week. Third, it is an opportunity for me to provide administrative info, details about upcoming assignments, etc.
3. Our primary means of communication will be via email. It is essential that you check your email on a regular basis, and you MUST use your @hawaii.edu email account. It is too confusing for me to try and keep up with alternative email accounts, and that would set us up for communication problems. “I don’t check my UH email” is not acceptable; “yes you do!” If you want to forward your UH email to another account, that is your business, but my recommendation is to simply use your UH account. If you send me an email from another account, I may respond, but if I start an email to you from scratch, I will use the UH email in the mail tool.
4. Every week, there will be a “Forum” with several “Topics” for discussion. These will be available prior to Monday of each week, and are due by 11:59 PM on Thursday night. The work MUST be done by Thursday night. There will also be information on the Forum each week regarding key terms for that week, as well as possible videos that may help your learning.
5. Finally, be aware that CHEATING and PLAGIARISM are considered ACADEMIC FRAUD under the Student Code of Conduct. Ignorance of what constitutes plagiarism is no excuse. Any student caught cheating or plagiarizing will receive a failing grade for this course.
