

**Economics 131 Principles of Economics: Macroeconomics
03**

INSTRUCTOR:	Paul Briggs	
COURSE CODE:	63021	
MEETING TIMES:	MW 10:00-11:15 AM	
OFFICE:	Naauao 126	
OFFICE HOURS:	Via email. I will respond to you within 24 hours of your email.	
TELEPHONE:	236-9218	E-MAIL: pbriggs@hawaii.edu
WEBSITE:	http://laulima.hawaii.edu	
CLASSROOM:	ONLINE	
EFFECTIVE DATE:	FALL 2016	

WINDWARD COMMUNITY COLLEGE MISSION STATEMENT

Windward Community College is committed to excellence in the liberal arts and career development; we support and challenge individuals to develop skills, fulfill their potential, enrich their lives, and become contributing, culturally aware members of our community.

WCC DISABILITIES ACCOMMODATION STATEMENT

If you have a physical, sensory, health, cognitive, or mental health disability that could limit your ability to fully participate in this class, you are encouraged to contact the Disability Specialist Counselor (Ann Lemke) to discuss reasonable accommodations that will help you succeed in this class. Ann Lemke can be reached at 235-7448, lemke@hawaii.edu, or you may stop by her office (Akoakoa 213) for more information.

CATALOG DESCRIPTION: Study of the economic forces that determine a country's income, employment and prices. Roles of consumers, businesses, banks and governments are explored.

STUDENT LEARNING OUTCOMES:

1. Students will translate important economics terms and theories into various forms.
 - a. Skills needed to achieve this outcome.
 - i. Writing ability, ability to translate economics terms into their own words.
 - ii. Mathematical ability, ability to translate and interpret economic theories into percentages/fractions and a two dimensional graphical space.
2. Identify, explore and analyze macroeconomic concepts using economic analysis and research.
 - a. Skills needed to achieve this outcome.

- i. Research skills
- ii. Writing skills
- iii. Ability to formulate a thesis statement and/or hypothesis
- iv. Ability to use cause and effect reasoning to associate economic events with the economic theories that may have caused those events.
- v. Ability to back up arguments using published research and to cite that research appropriately.

COURSE TASKS AND REQUIREMENTS:

COURSE WEBSITE: On the LAULIMA website (<http://laulima.hawaii.edu>), I will have a detailed time-line for you to follow that will include tasks to perform and all of the due dates for the various assignments. This timeline will also be available via APLIA as well. Your MYUHPORTAL username and password will connect you to the LAULIMA website for this course. On the website, I will also post instructions for the various assignments that are due.

APLIA PROBLEM SETS AND NEWS ANALYSES: (20% of your grade). For this online course, you will be doing problem sets, news analyses and exams through an online course management system called APLIA (www.aplia.com). APLIA is meant to be a user-friendly interface and is used by thousands of students in the United States to help supplement their learning in economics. Instructions on how to set up your APLIA account are on the LAULIMA website (<http://laulima.hawaii.edu>). Access to APLIA will cost you approximately \$70, but this includes access to the APLIA problem sets as well as an electronic copy of your textbook. You will need a separate APLIA username and password to access your APLIA account. It would be a good idea to use the same username and password as your MYUHPORTAL account. You will have four types of APLIA assignments: PROBLEM SETS, NEWS ANALYSES, EXPERIMENTS and QUIZZES.

- APLIA PROBLEM SETS-These are homework assignments that are to be completed online and are graded by APLIA. There is one problem set for each chapter of the course, although there are a couple of problem sets at the beginning to help get you started working with APLIA. **You will have three attempts to do these problem sets and your final grade will be the highest of the three attempts.** Keep in mind that the problems are randomized, so that you will not see the exact same problem in your next attempt. For each chapter, there will also be a practice problem set for you to work on that will not be graded.
- APLIA NEWS ANALYSES-These are news articles that you will read that will give some application of the chapter material you have just studied. After you read the article, you will then answer questions online based on the news article. **There will be one attempt to do the News Analysis Problem Set.**

- Grades will be given automatically for the APLIA PROBLEM SETS, and given after the due date for the APLIA NEWS ANALYSES.
- EXPERIMENTS-There will be some EXPERIMENTS that you will be invited to participate in. You have to be present at your computer at the time the EXPERIMENT starts. You do not need to do the EXPERIMENT, but you will be responsible for any PROBLEM SETS in relation to the EXPERIMENT.
- THERE WILL BE NO MAKEUPS FOR THE APLIA ASSIGNMENTS.
- APLIA EXAMS (20% of your grade). There will be 2 timed exams during the course. I will include some APLIA problems on the quizzes. You will have one chance to take the quiz. All quizzes will be given through APLIA. THERE WILL BE NO MAKEUPS FOR THE APLIA EXAMS.

LAULIMA READING CHECKS: 10% of your grade. I require a reading check for each chapter to be done within a specified period of time on LAULIMA FORUMS. These assignments will be worth 10 points each. You will be required to write a summary of each chapter (50 word min) and then respond to at least one (**one response**) other student's summary (25 words min). The summary will include the main points of the chapter along with anything that you find interesting (i.e real world applications) or confusing about the chapter (**To get full credit, you must address these items**). The summaries will be done on Thursdays and the response will due on Saturday. The responses will be due two days after the summaries are due. The due time will be 11 pm on the specified due date. NO LATE READING CHECKS WILL BE ACCEPTED.

LAULIMA DISCUSSION FORUMS: 20% of your grade. These journal assignments will ask your opinion and/or understanding of some applied areas of economics that we will cover in the course. These journal assignments will be designed to encourage discussion via an Internet forum as there is often not time to cover these areas in class. There will be four of these assignments. Each assignment will be 20 points apiece, with 10 points for a posting (start new conversation) and 5 points each for responses to another student's posting (**2 responses**). First postings will be on Thursdays and student responses will be due on Saturdays. Topic postings need to be at least 50 words in length and responses will be at least 25 words in length. NO LATE DISCUSSION FORUMS WILL BE ACCEPTED.

ARTICLE ANALYSES: 20% of your grade (200 points). There will be two article analyses due during the semester on the various topics that we have covered up that point. Instructions for this assignment are included in your handout. NO LATE ARTICLE ANALYSES WILL BE ACCEPTED.

CAREER PAPER: 10% of your grade (50 points). There will be a career paper in which you will explore 2 careers that you could pursue in the future. NO LATE CAREER PAPERS WILL BE ACCEPTED.

SUMMARY OF COURSE REQUIREMENTS

Item	Percentage of Total Grade (%)
Aplia Problem Sets	20
Exams	20
Reading Checks	10
Forums	20
Article Analysis	20
Career Paper	10
TOTAL	100%

Grading Curve

Percentages	Grade
90-100	A
80-89	B
70-79	C
50-69	D
Below 50	F

I know the amount of work in this class may seem overwhelming to you right now, but I will structure the assignments in such a way that you will have plenty of chances to succeed in this course. My style is to have a lot of little assignments as opposed to a few large assignments that consequently put a lot of pressure on your grade. I will always be around to help you complete the assignments in a timely and professional manner.

READING THE TEXTBOOK AND NARRATED LECTURES: You will really need to read and pay attention to the textbook during this course as it is online. The textbook (Principles of Macroeconomics by Mankiw, Seventh Edition) is available on the Aplia site in an electronic version. Once you have bought the subscription for the APLIA website, you will also have a subscription for the electronic version of the text for the duration of the summer term.

Here is a summary of the various assignments/ resources, their location and due dates/times.

ASSIGNMENT/RESOURCES	LOCATION	DUE DATES AND TIMES
EMAIL COMMUNICATION	MAILTOOL VIA LAULIMA	<ul style="list-style-type: none"> When appropriate
DISCUSSION FORUMS AND READING CHECKS	FORUMS TAB VIA LAULIMA	<ul style="list-style-type: none"> Post Threads by Thursday at 11 pm Post Responses by Saturday at 11 pm
PROBLEM SETS	APLIA	<ul style="list-style-type: none"> Designated due date at 11 pm.
NEWS ANALYSES	APLIA	<ul style="list-style-type: none"> Designated due date at 11 pm
READING AND NARRATED LECTURE	MODULES TAB VIA LAULIMA	<ul style="list-style-type: none"> Before you do the Problem Set.
PAPER (Article Analysis)	<ul style="list-style-type: none"> UPLOAD VIA LAULIMA DROPBOX INSTRUCTIONS VIA LAULIMA MODULES 	<ul style="list-style-type: none"> Designated due date by 11 pm.
EXAMS	APLIA	<ul style="list-style-type: none"> Designated due date by 11 pm

LEARNING RESOURCES:

BOOK: N. Gregory Mankiw (Required), *Principles of Macroeconomics, Seventh Edition*

The textbook is available electronically via the APLIA website (www.aplia.com) for \$70. This buys you access to the APLIA problems as well as access to the electronic book. This is in effect a subscription, which will run out at the end of the semester. You can download copies of the text from the APLIA website as well. Please have your email be the UH account or have your email accept forwards from your UH email account. Instructions on how to accept UH email account forwards are in this syllabus.

ADDITIONAL INFORMATION:

HOW YOU SHOULD COMPLETE THIS COURSE:

1. Please read the chapter.
2. Do the APLIA PROBLEM SETS and NEWS ANALYSES by their due dates. Remember that you have three chances to do each APLIA PROBLEM SET.
3. Complete any Forum post and responses by the assigned due date.
4. Do the ARTICLE ANALYSES and the CAREER PAPERS by the assigned due date.
5. Please do the quizzes!

Use of LAULIMA for Class Assignments

The entire UH system has replaced the old WEBCT course management system with LAULIMA. The reasons have everything to do with cost, LAULIMA is an open-source system and thus is technically free. WEBCT, on the other hand, was taken over (swallowed up!) by its former competitor BLACKBOARD and now costs three times as much.

So enough context, we will be using LAULIMA for responding to postings that I give you on a frequent basis (both ECON 130 and 131) and to take online quizzes (ECON 130). You will also be taking makeup tests through LAULIMA. To get into your LAULIMA course, please follow these steps:

1. Go to the WCC website: <http://wcc.hawaii.edu>
2. Click on the LAULIMA heading.
3. Enter you're MY UH PORTAL username and password where it says login and password.
4. Click on your course, you are automatically entered into your course when you sign up in MY UH PORTAL.
5. Click on the appropriate area in LAULIMA.

To get to my website, do the following:

1. Go to the WCC homepage <http://www.wcc.hawaii.edu/>
2. Click on Course and Department pages.
3. Click on webpage for Paul Briggs webpage.
4. There you are!

Getting Started With Laulima (for online course material)

Logging In to Laulima

1. Go to the Laulima login page, which is located at:
<http://laulima.hawaii.edu>

2. Log in using your UH ID name and password (or if you are not at UH, log in using the name and password you were provided)

Note: your screen will look different from the one pictured below, with other courses and perhaps other tools (the list on the left side)

There are many tools that could be available, depending on how your instructors have designed their courses.

Choosing Your Course

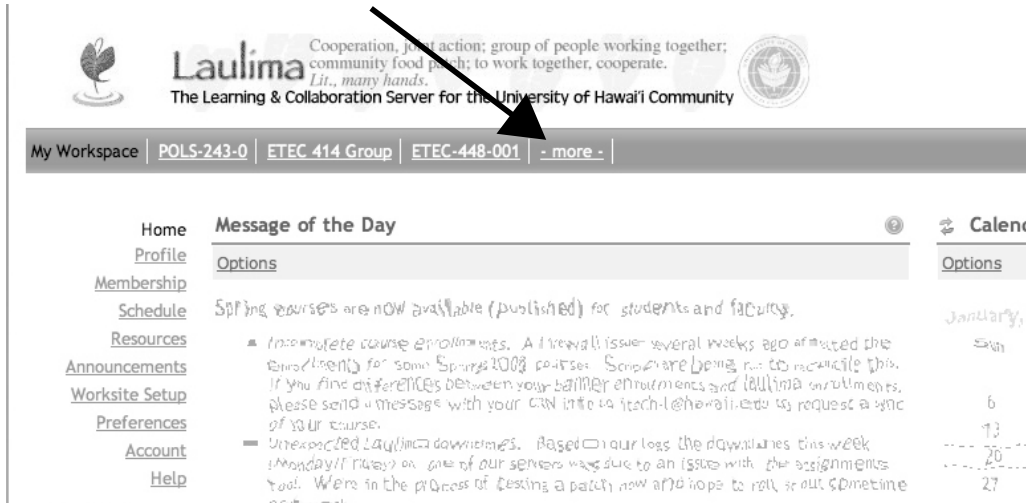

You are already a member in all of your credit courses.

You can set up your "My Workspace" by clicking on the "Preferences" tool.

On the top bar, select your course.

You can enter profile information (such as your name, contact information, picture, and so on) by clicking on the "Profile" tool

If the course does not appear, select the "more" button and a full list will appear.

Last updated January 20, 2008

Forwarding Your UH Mail to Another Email Account

It is important to receive the email that is sent to your UH account. However, if you have another email account that you check more frequently, you can forward your UH email to that account.

1. **Log in** to your UH Email account by going to

<https://mail.hawaii.edu>

2. Click on the **Options** tab.

3. Click on the **Settings** button on the left side

4. The **forward options** are at the bottom the window.

- Click on “enable forwarding”
- If you do not want the UH mail server to keep a copy of the mail that is forwarded to your other account, click “Don’t Leave Copy on Server”
- Enter the email address that you would like your emails to be forwarded to.
- Click on the “Save Changes” button

5. **Close** the web browser.

6. Send an email to your hawaii.edu account to verify it forwards properly.

Economics 131
 Weekly Course Schedule
 FALL 2016

Week	Dates	Chapters Covered
One	August 22-August 27	Chapter One-Main Ideas
Two	August 28-September 3	Chapter Two-Thinking Like an Economist
Three	September 4-September 10	Chapter Three-International Trade
Four	September 11-September 17	Chapter Four-Supply and Demand
Five	September 18-September 24	Chapter Four-Supply and Demand
Six	September 25-October 1	Chapter Ten-Measuring a Nation's Income
Seven	October 2-October 8	Chapter Ten-Measuring a Nation's Income
Eight	October 9-October 15	Chapter Eleven-Cost of Living
Nine	October 16-October 22	Work on First Article Analysis.
Ten	October 23-October 29	Chapter Thirteen-Savings, Investment and the Financial System
Eleven	October 30-November 5	Chapter Fifteen-Unemployment
Twelve	November 6-November 12	Chapter Sixteen-The Monetary System
Thirteen	November 13-November 19	Chapter Eighteen-Open Economy Macroeconomics (Basic Concepts)
Fourteen	November 20-November 26	Chapter Twenty-Aggregate Demand and Supply
Fifteen	November 27-December 3	Work on Second Article Analysis
Sixteen	December 4-December 10	Chapter Twenty One-Monetary and Fiscal Policy
