### **COURSE TASKS**

1. Attendance: The method of teaching is patterned after the oral traditions of Hawaiian history. Traditionally, information was given personally from kumu to haumana or teacher to student. Therefore, all assignments are given in class. Each class is worth 10 points, In order to receive ten points you must have your instrument and be tuned by the time class starts and actively participate throughout the class. Attendance points may be deducted from individuals who are too distracted whether it is not playing when they should be or something as simple as too much time looking at a phone. Anyone who is tardy or who does not have their instrument will only have the possibility to receive only 5 points for that day. If an absence is excused all 10 points and grading done in class can be made up. Lessons are accumulative and there will be no time to review in whole what was already explained the previous day. If for whatever reason you cannot attend class, it then becomes your responsibility to make up for lessons missed. You may ask fellow class members to help you review the lesson. This is done outside of class and on your own time. You may also ask me and I will try to make arrangements to help you during my office hours. Please, just come to class.

2. Film Response: These are films to be watched in class. It must be one page and have a clear perspective on what you found interesting about the film and why you agree or disagree with what was presented in the video. It needs to be 12 font, double spaced and three paragraphs only. This is a personal reflection paper and you may use words such as” I believe,” “I feel” or “I thought”. Papers are due at the beginning of next class after viewing the film. Please write at the top right corner using single space the following information:

Name  
MUS 122Z  
Film Title

3. Reflection Papers: Occasionally you will be given quotes or questions to think about and reflect on. Your reflections should be one page and give your personal thoughts on the subject for reflection. It needs to be 12 font, double spaced. Like the film response, this is a personal reflection paper and you may use words such as” I believe,” “I feel” or “I thought”. Papers are due at the beginning of the next class. Please write at the top right corner using single space the following information:

Name  
MUS 122Z  
Reflection #...

5. Mid-Term Exam: This exam will be taken in class. The exam will include items of multiple-choice, true/false, matching, and short answer. This will test your knowledge of information given from the beginning of the semester up to this point of the semester.

6. Song composition: You will be required to compose a song on an issue of your choice. Each issue must be approved before composition is started. The song must use at least 3 different chords and have at least 2 verses. Kumu will help in this process to ensure that you have the tools necessary.

7. In Class Group Performances- You will be required to perform 6 times throughout the semester with a group of classmates which will be chosen by the teacher. Four of the Six songs will be from our class repertoire. I will be available to help in the process. Five of the six songs must be Hawaiian and one can be of any genre. First performance will be March 2nd

7. Final: We will have a final recital as a class. We will perform all of our songs learned throughout the semester. We will perform as a group however you will be graded individually on how well you perform on stage in front of a live audience.
