COURSE EXPECTATIONS

In class expectations are:

1. Regular and prompt class attendance is expected of all students. It shall be the student's responsibility to keep up with work missed as a result of absence. Changes in the test dates, assignment due dates, etc. will be announced in class. E-mail communication will be sent from the

- instructor to the students via their @hawaii.edu accounts. Please check your @hawaii.edu accounts regularly.
2. Students are expected to maintain a safe and supportive learning environment by appropriate behavior in class demonstrated by consideration of others, paying attention, and focusing on specific tasks. Use of digital devices, cellular phones, pagers, and entering the classroom late, or leaving it to go the restroom, etc. are distracting and interrupting the learning process. If there is any personal or medical condition that necessitates your needing to leave the room during a class session, please let the instructor know of your needs so that seating arrangements can accommodate you.
 3. The classroom is a learning environment for adults. It is developmentally inappropriate and unrealistic to expect children to handle a classroom situation without distracting others. Students will be responsible for anticipating childcare needs by making arrangements for the duration of the semester, emergencies included. It is unfair and inconsiderate to subject your peers to distractions in the classroom.
 4. Students are encouraged to express any concern to the instructor that may interfere with your achieving the learning outcomes and/or to use campus services for their learning. Each student is responsible for his/her own learning.
 5. Students in this class who need accommodations for a disability should contact the Disability Specialist Counselor to discuss reasonable accommodations that will help you succeed in this class. Ann Lemke can be reached at 235-7448, lemke@hawaii.edu, or you may stop by Hale 'Akoakoa 213 for more information.
 6. No eating in class. Please remember to take your drink containers with you after class.

LATE WORK POLICY

No late work is accepted.

COURSE AND INSTRUCTOR EVALUATION

Course and Faculty Evaluations (CAFE) are required for every social work course. Students are asked to respond to set questions about the course and the instructor in the last class session. All evaluations are done anonymously and the instructor does not receive any feedback until after grades have been posted.

DISABILITIES ACCOMMODATION STATEMENT

If you have a physical, sensory, health, cognitive, or mental health disability that could limit your ability to fully participate in this class, you are encouraged to contact the Disability Specialist Counselor to discuss reasonable accommodations that will help you succeed in this class. Ann Lemke can be reached at 235-7448, lemke@hawaii.edu, or you may stop by Hale 'Akoakoa 213 for more information.
