WINDWARD COMMUNITY COLLEGE MISSION STATEMENT

Windward Community College offers innovative programs in the arts and sciences and opportunities to gain knowledge and understanding of Hawai'i and its unique heritage. With a special commitment to support the access and educational needs of Native Hawaiians, we provide the Ko'olau region of O'ahu and beyond with liberal arts, career and lifelong learning in a supportive and challenging environment — inspiring students to excellence.

CATALOG DESCRIPTION

Laboratory to accompany ANSC 142. This course is designed to acquaint the student with the body systems of common domestic species (e.g., cats, dogs, horses and birds) through dissections, examinations of models, laboratory exercises, and other hands-on activities. This course is intended for students entering veterinary technology, veterinary assisting or other animal-related fields (3 hrs. lab).

Prerequisite: Credit for or registration in ANSC 142 or equivalent preparation or consent of instructor.

STUDENT LEARNING OUTCOMES

Upon successful completion of ANSC 142L, the student should be able to:

1. Identify and describe the anatomy of the major body systems for cats, dogs and horses using prepared slides, skeletons, models and dissections.
2. Use standard anatomical terms to describe body directions, regions and sectioning planes.
3. Identify major anatomical landmarks used to assess patient health during physical exams.
4. Demonstrate proficiency at the use of the microscope as a clinical instrument.

COURSE TASKS

1. Attend class at scheduled times
2. Participate in lab activities with notebook prepared.
3. Complete quizzes.
4. Complete two practicums.

ASSESSMENT TASKS AND GRADING

ATTENDANCE: 30 points total – Please refer to the attendance policy outlined within the Veterinary Technology Student Handbook for full details.

Attendance is expected for every class and will be documented prior to the start of all labs. Any unexcused absences will be subjected to a loss of 15 points **and** use of our demerit system (refer to student handbook.) Any absences must be communicated with your lecturer prior or on the day of the absence. Any and all absences will not be considered excused without documentation. Arriving more than 10 minutes late may be considered an absence.

QUIZZES: 100 points total – Quizzes are held at the beginning of labs. Each quiz is worth 10 points; two quizzes are worth 20 points. There are eight quizzes in total.

LAB PRACTICUMS: 150 points total; 50 mid-term, 100 final – Two lab practicums are held throughout the semester. The final practicum is cumulative.

LAB NOTEBOOK: 30 points total – The lab notebook will be collected at the beginning of both practicums. The lab notebook must be completed up to each designated page upon each submission.

PARTICIPATION: 20 points – Students will need to participate in lab activities, including group work, dissection, and review sessions.

LAB ASSIGNMENTS: 50 points – Lab assignments are completed in the lab manual textbook. Details on lab assignments and pages can be found within the corresponding assignment page on Lulima.

CAMPUSWIRE: N/A – CampusWire will be used for course communications, discussions, and questions. Various important information will also be posted onto CampusWire including exam access codes, course reminders, and relevant changes within the semester. It is the student's responsibility to check CampusWire daily for all new posts and messages.

Grading Policies

Late assignments policy: *Late submissions are not accepted. If an assignment was missed due to an unforeseen emergency, communication must be established with your instructor within 48 hours and documentation must be provided. Unless previously consulted with by your instructor, uploaded files with edits made after the due date will not be accepted.*

Wrong file submission policy: *It is the student's responsibility to ensure that the correct file was uploaded. Submissions of wrong files will be categorized as a late assignment.*

Corrupted file submission policy: *It is the student's responsibility to ensure that a working file was uploaded. Submissions of corrupted files will be categorized as a late assignment.*

Spelling: *Due to the medical nature of the course, spelling of major terminologies will be assessed. Any spelling error, even one letter off, may be considered incorrect. No partial points are awarded.*
