WINDWARD COMMUNITY COLLEGE MISSION STATEMENT *Windward Community College offers innovative programs in the arts and sciences and opportunities to gain knowledge and understanding of Hawai'i and its unique heritage. With a special commitment to support the access and educational needs of Native Hawaiians, we provide the Ko'olau region of O'ahu and beyond with liberal arts, career and lifelong learning in a supportive and challenging environment - inspiring students to excellence.*

CATALOG DESCRIPTION . This is a Hawaiian cultural carving class that is a continuation of the themes and techniques learned in HWST 135 Kālai Lā'au. Students will be required to complete at least one large piece and two highly finished smaller pieces. Students will be expected to have a basic understanding of carving upon entering the class and will spend their time carving and working on a larger scale. Through this class students will develop skills and techniques with more advanced tools needed to work effectively and safely with wood, bone, and stone, and students will acquire the cultural knowledge important to the pieces developed. Students will also learn how to make some of the tools required for use in the class. **Activities Required at Scheduled Times Other Than Class Times** Certain activities may be scheduled outside of class time depending on weather conditions. Mandatory participation includes the visit to Bernice Pauahi Bishop Museum, the *Palikū Arts Festival (Date TBD)*.

STUDENT LEARNING OUTCOMES .

- Learn to plan and create wood working projects of Hawaiian cultural relevance or significance.
- Gain a deeper insight into Hawaiian cultural use of wood.
- Gain deeper understanding of the cultural significance of the wood-working project the student has undertaken.
- Learn to work with wood in an effective and safe manner.

ASSESSMENT TASKS AND GRADING . Attendance: *This is a course with a substantial amount of reading and research to be done at home by the student.* Students will have almost 5.5 hours of instruction a week and are expected to fulfill additional work time per week outside of class time. Attendance will be taken at each class, and being more than 5 minutes late will be considered late, unless student has communicated with kumu *before* class starts. It is at the instructor's discretion if a tardiness or absence is excused or not. Four unexcused tardies will count as one unexcused absence. A doctor's note or some other form of documentation must substantiate classes missed for a valid reason. **The student's final grade will have a 5 percent deduction for every unexcused absence.**

Collaborative Advising will be discussed with the students before the middle of the semester. **Plant ID Test** will be given near the end of the semester and covers over 60 species that the students should be familiar with since taking HWST 135. Make-ups are given **only** at instructor's discretion. **Concept Paper:** Completion of the one research paper 3 pages in length, discussing the cultural creation, use, and significance of the implements made in the class. Student papers must be written in Times New Roman, 12 point font, 1" margins. **MLA format, three cited sources**, only one of which can be a website, and any pertinent photos or diagrams they plan on using must be printed in color and attached to the end of the 2 1/2 - 3 typed page essay. A writing scaffold will be provided to assist the students' creation of this essay. For further assistance in accessing sources, creating citations, or MLA format, please consult the Writing Center in Hale La'akea, Room 222, (808) 235-7473 . **Project Plan:** Students are required to submit a Project Plan for their implement in consultation with the instructor for each project undertaken *before* work starts on the project. Both original project plans **must** be submitted along with each of the two semester projects in order for full credit to be received. **Finished Project:** Students will be graded on their project's development, creation, and completion. **Project Presentation:** Students will be graded on a short presentation in which they showcase their project, how it was planned and completed, and the Hawaiian cultural significance, history and use of what they have created.
