COURSE TASKS AND GRADING

MLM Homework: Computer-based homework is due through the MyLab Math (MLM) program. There will be a 10% grade deduction for problems submitted after the due date. The final date of submission for

late homework is December 16, 2022. You have unlimited attempts at homework problems and your highest score will be saved.

Quizzes: There will be weekly quizzes throughout the semester which will be announced ahead of time. The quiz questions will be similar to examples that we complete in class. Calculator use is not permitted on quizzes unless noted by the instructor. No make-up quizzes will be given, and the lowest quiz grade gets dropped.

Tests: There will be 4 in-class tests this semester as noted on the course calendar. Calculator use is not allowed for Math 82 tests. In the event of an emergency, you may make-up one missed test during the final class at end of the semester.

Final Exam: There will be one cumulative final exam. Calculator use is **not** allowed for Math 82 exams. The final exam is worth 10% of your overall grade. **You must achieve a minimum of 60% on the final exam to pass this course.**

The grade breakdown will be as follows:

Assignment	Percentage
Final Exam	10%
Quizzes	20%
MyLab Math (MLM) Homework	30%
4 Tests	40%
Total	100%

If a student has achieved a minimum of 60% of the possible points for the final exam, then a letter grade for the course will be assigned according to the level of achievement as provided in the table below:

A = 90%-100%

B = 80%-89%

C = 70%-79%

D = 60%-69%

F = 0%-59%

CR 70% or above of the cumulative points possible

NC Less than 70% of the cumulative points possible

W Official Withdrawal

I Incomplete

Note: CR/NC grades require written instructor consent. Students must apply for CR/NC grading option at the WCC Admissions Office by the posted deadline.

Note: The W grade is given only when the student officially withdraws from the course by the posted deadline.

Note: The I grade is a temporary grade given at the instructor's discretion when a student has failed to complete a small part of a course because of circumstances beyond his or her control. A student may qualify for the I grade if (a) they are unable to take the final exam and (b) taking the final exam could possibly raise their course grade.
