ADDITIONAL INFORMATION

Make-up Policy:

Quizzes: There are no make-ups for quizzes unless you let me know ahead of time that you will be missing the quiz for a valid reason, or unless you bring in a valid doctor's note or some other official's letter stating that there was no way you could carry out the task online.

Netiquette: The best possible experience in discussion forums and in e-mail exchanges occurs when respect is shown to all participants. When addressing other people on the discussion forums, think about the impact of your words and remember that unlike face-to-face communication, those you communicate with cannot see the expression on your face or hear the intonation in your voice.

Try to be brief and to the point. Answer questions but do not be drawn into arguments. The discussion forum is not the place for political arguments or for discussion of inappropriate topics.

If you cite someone else's ideas, make sure to give them credit.
