WINDWARD COMMUNITY COLLEGE MISSION STATEMENT

Windward Community College offers innovative programs in the arts and sciences and opportunities to gain knowledge and understanding of Hawai‘i and its unique heritage. With a special commitment to support the access and educational needs of Native Hawaiians, we provide the Ko‘olau region of O‘ahu and beyond with liberal arts, career and lifelong learning in a supportive and challenging environment — inspiring students to excellence.

Catalogue Description

ICS 101 Digital Tools for the Information World (3)
Fundamental information technology concepts and computing terminology, productivity software for problem solving, computer technology trends and impact on individuals and society. Emphasizes the utilization of operating systems and the production of professional documents, spreadsheets, presentations, databases, and web pages.

Activities Required at Scheduled Times Other than Class Times
Communication is vital to succeeding in this course. Because this is an online course, it is crucial
to log into Laulima regularly and check the weekly Laulima Announcements. The Announcements will contain the work agenda for each week as well as the due dates for assignments. You will be notified on Monday and Wednesday regarding coursework that will be due from week to week. Please be prepared to spend 1-3 hours each week to complete the Laulima discussions, assignments and Simnet activities (see pages 3-4).

**Student Learning Outcomes**

1. Utilize the appropriate computing applications to produce professional documents, spreadsheets presentations, databases, and web pages for effective communication (major content area).
2. Utilize operating system interfaces to manage computing resources effectively and securely.
3. Extract and synthesize information from available Internet resources using intelligent search and discrimination.
4. Define, explain, and demonstrate proper computing terminology usage in areas such as hardware, software, and communications to effectively interact with other computer users and to prepare for higher-level computer courses.
5. Describe ethical and security issues involved in the use of computing technology.

Learning Resources

Simnet
Simnet is an online interactive learning and course management system that will be used extensively in this course. You will need to purchase a Simnet access code by the 1st week of instruction in order to complete weekly lessons and exams. The combined scores for Simnet lessons and exams will account for 55% of your final grade.

This course will be participating in the bookstore’s Interactive Digital Access Program (IDAP). Through this program, you will access your course material digitally, and it will be available to you by the first day of class. A charge of approximately $56 for the digital course material through IDAP will be added to your MyUH account.

You have the option to opt-out of receiving your course material through IDAP. By opting-out, you will lose access to the course material and the charge will be refunded on your MyUH account. If you do not opt-out, the charge will stay on your MyUH account. Any unpaid charges on your MyUH account will turn into a hold. Holds on your account will prevent you from accessing various services within the University. You may opt-out by visiting this page [https://www.uhbooks.hawaii.edu/idap](https://www.uhbooks.hawaii.edu/idap). For more information regarding IDAP, please contact your campus bookstore.

Laulima
Laulima is an online course management system and will be used extensively in this course. The course schedule, announcements, assigned work and due dates will all be posted and administered through the [Laulima Portal](https://www.uhbooks.hawaii.edu/idap). It is crucial to check your email, the Laulima Course Schedule and the Laulima Announcements to make sure you are keeping up with the requirements and pace of the course.

Computer Platform
This course is offered throughout the UH system and is predominantly designed (e.g. instructions, assignments) to be completed using a PC.

Important Notes
- Although it is possible to complete this course using a Mac, technical support for Mac users will be available on limited basis for the reasons mentioned above.
• Laptops are available for students to check out on a first come first serve basis. If you are interested in borrowing a computer, please contact the Library (808) 235-7436 and request at computer with the Windows 10 operating system.
• If you check out a computer, **do not** check out a Chromebook. You will **not** be able to complete this course with a Chromebook

**Required Software**
You will need to have access to Microsoft Office 365 in order to complete this course. [Please click here to download free version of Office 365 that is available to WCC students.](#) If you are having issues with the downloading the software, contact Bryan Tokuda who is WCC’s 365 specialist.

**Academic Integrity & Policies**

**Assignment Due Dates**
All Coursework must be completed by 5/6/22. **Exceptions will be made due to extenuating circumstances** (e.g. illness, housing, death in family) upon the approval of the instructor and the [Vice Chancellor of Student Affairs](#).

**Academic Dishonesty—Cheating and Plagiarism**
Students assume full responsibility for the content and integrity of the academic work they submit. The guiding principle of academic integrity shall be that a student's submitted files, work, examinations, reports, and projects must be that of the student's own work. See the Windward Community College catalog for details. Students shall be guilty of cheating if they:

• Represent the work of others as their own (plagiarism).
• Use or obtain unauthorized assistance in any academic work.
• Give unauthorized assistance to other students.
• Modify, without instructor approval, an examination, paper, record, or report for the purpose of obtaining additional credit.
• Misrepresent the content of submitted work.

**Disabilities Accommodations & Basic Student Needs**

**Disabilities Accommodations**
If you have a physical, sensory, health, cognitive, or mental health disability that could limit your ability to fully participate in this class, you are encouraged to contact the Accessibility Counselor to discuss reasonable accommodations that will help you succeed in this class. [Roy Inouye can be reached at](mailto:royinouy@hawaii.edu) (808) 235-7448, or you may stop by Hale Kākoʻo 106 for more information.

**Basic Student Needs**
Basic needs include food and housing, childcare, mental health, financial resources, and transportation, among others. Student basic needs security is critical for ensuring strong academic performance, persistence and graduation and overall student well-being. If you or someone you know are experiencing basic needs insecurity, please see the following resources: **UH System Basic Needs.**

**Sec Discrimination & Gender-Based Violence Resources (Title IX)**

Windward Community College is committed to providing a learning, working, and living environment that promotes personal integrity, civility, and mutual respect and is free of all forms of sex discrimination and gender-based violence, including sexual assault, sexual harassment, gender-based harassment, domestic violence, dating violence, and stalking.

If you or someone you know is experiencing any of these, WCC has staff and resources to support and assist you. To report an incident of sex discrimination or gender-based violence, as well as receive information and support, please contact one of the following:

- **Kaahu Alo, Student Life Counselor & Designated Confidential* Advocate for Students**
  
  Phone: (808) 235-7354
  
  Email: kaahualo@hawaii.edu
  
  Office: Hale ʻĀkoakoa 232
