COURSE TASKS

A. PARTICIPATION (10%, 100 points of total grade):
Each student will be expected to participate each week. Activities are designed to complement information in the text. Optimal learning will require preparation through reading and processing, and then sharing the work product or information in class or online class forums. It is important to plan ahead to make certain you complete the work required to be done outside of class so you are ready to share with the class at the time the topic is discussed. Because the activities are planned in-class group learning opportunities with weekly deadlines, there are no make-up opportunities for these activities.

Each student is viewed as a Learner/Peer Teacher. Your shared observations, knowledge, skills, questions, and responsive listening are valued and contribute to a positive learning environment. Consequently, it is important that every student contribute to the interactive learning that is an important part of every course. To receive credit for participation, each student will need to participate, on time.

B. ONLINE ACTIVITIES (10%, 100 points of total grade):
Complete chapter assignments and quizzes per week online. Check for due dates online.

C. PORTFOLIO (20%, 200 points of total grade):
This is the single most important activity over the course of the semester. To be successful in this segment of the course, students need to start early and work each week to complete this project. Because this is a semester long project, there is no excuse for a late paper. LATE PAPERS will not be accepted. Complete 10 of the 15 chapters Reflections found under the Assignments, Tests, and Surveys tool.

D. EXAMS (60%, 600 points of total grade):
Complete three of the four exams covering assigned readings, class activities, discussions, lectures, videos, handouts, assignments, etc. Each Exam will consist of approximately 50 Multiple Choice and True-False questions.

Do not miss exams. Fairness in testing depends on students having equal preparation opportunities. Consequently, make-up tests will be allowed at the end of the semester. In the event of an emergency, the instructor must be notified IN ADVANCE of the exam, unless absolutely impossible. If the instructor is not notified of the emergency prior to the DEADLINE of the exam, and/or appropriate documentation of proof of emergency is not provided, the student will receive a zero for that exam.

Routine appointments are not emergencies, and should be scheduled outside of time needed to complete course requirements. In case of emergencies, it is the responsibility of the student to contact the instructor before class begins, in order for the student to avoid penalty.

D. SUPPLEMENTAL INSTRUCTION
Participation in an SI session will provide students opportunities to learn the material in a smaller group setting. Students that participate will receive ½ participation points and quizzes taken in an SI session will count for 50% (100/200) toward the cumulative exam. The remaining 50% (100 points) will be taken at the end of the semester.
