Student Contributions

**Academic Integrity:** Work submitted by a student must be the student’s own work. The work of others should be explicitly marked, such as through use of quotes or summarizing with reference to the original author.

In this class, students who commit academic dishonesty, cheating or plagiarism will have the following consequence(s):

Students will receive a failing grade for plagiarized assignments.

All cases of academic dishonesty are referred to the Vice Chancellor for Student Affairs.

**Attendance Policy:** Regular and prompt attendance is necessary for students to achieve the goals of this course. Most activities build upon one another so attendance and adequate preparation for each class period are essential. Students are responsible for material covered in classes in which they were absent (whether the absence was excused or unexcused) or late to class.

**Unexcused Absences**

*Absolutely no make-ups* will be given for unexcused absences resulting in missed speech performances, examinations, assignments and in-class activities. If there is a prior engagement, notify your instructor and discuss your situation. Late work will not be accepted.

Deductions for unexcused absences. Attendance will be regularly recorded. For every unexcused absence, your overall grade will be lowered by 5 points per absence.

*Windward Community College is an equal opportunity, affirmative action institution.*
**Deductions for tardiness.** If students are 15 minutes late to class, they will be marked as late. For every two classes that a student is marked late, it will equal to one unexcused absence. It is encouraged for students to come to class on time.

**Assignments:** All assignments must be typed and double-spaced with one-inch margins on the left, right, top, and bottom of each page to receive credit. Please use Times New Roman as a standard font type. *A hard copy of assignments is required. Emailed assignments and handwritten assignments will NOT be accepted unless stated by the instructor.*

**E-mails:** The University of Hawaii e-mail has been declared an official means for communication with students. Executive Policy E2.213 reads: “Students are responsible for checking their email account frequently and consistently to remain current with University communications. They are expected to monitor and manage their email storage quota to ensure that their mailboxes are not saturated and are able to receive new messages.”
