BIOL 171 Introduction to Biology I
3 Credits (CRN 61010, 61505)
Online, asynchronous

INSTRUCTOR: Mackenzie Manning
OFFICE: ‘Imiloa 121
OFFICE HOURS: Tues 12pm - 1pm or by appt. Zoom Office
EMAIL: mmanning@hawaii.edu
EFFECTIVE DATE: Fall 2023

WINDWARD COMMUNITY COLLEGE MISSION STATEMENT

Windward Community College offers innovative programs in the arts and sciences and opportunities to gain knowledge and understanding of Hawai’i and its unique heritage. With a special commitment to support the access and educational needs of Native Hawaiians, we provide the Ko‘olau region of O‘ahu and beyond with liberal arts, career and lifelong learning in a supportive and challenging environment — inspiring students to excellence.

CATALOG DESCRIPTION

Recommended Preparation: High school chemistry or college chemistry and registration in BIOL 171L.

First semester of introductory biology for all life science majors. Topics include: Overview of the science of biology; Cell structure, chemistry, growth, and reproduction; Classical, chromosomal and molecular genetics; Evolution, phylogeny and systematics; and Biology and diversity of viruses and bacteria.

STUDENT LEARNING OUTCOMES

After successfully completing this course, you will be able to:

1. Describe the fundamental biology of the cell, including cell anatomy, biochemical composition, cellular metabolism, respiration and photosynthesis, communication, growth and reproduction.

2. Describe the fundamentals of Mendelian genetics, the chromosomal and molecular basis of heredity and apply these concepts to the mechanisms of evolution.

3. Describe the process of DNA replication and DNA transcription and translation from gene to protein, including gene regulation and apply these processes to the reproduction and metabolism of the cell.

4. Describe the principles of evolution through natural selection, the principles of descent with modification, and the mechanisms involved in the evolution of populations and the origin of species.
5. Describe the history of life on Earth and the evolutionary relatedness of life on Earth through morphological and molecular phylogenies.

6. Describe the fundamental structure and function of viruses and bacteria.

**COURSE TASKS**

BIOL 171 is a 15-week, fully online course that will cover 2 chapters of material per week. This course will be taught as an asynchronous course delivered through the Laulima Learning Management System (LMS) and Pearson Mastering Biology platforms. Each week will consist of reading 2 chapters worth of material from your eBook, watching pre-recorded lectures, and completing online assignments through the Mastering Biology platform. Online quizzes covering four chapters will be due every other week. Discussion forums will be due every 3-4 weeks. There will be a midterm and a final, both covering ~12 chapters of material. Please see the tentative course schedule below for detailed information on the schedule of content and due dates.

**ASSESSMENT TASKS AND GRADING**

*Reading Assignments, Recorded Lectures:*

Two chapters per week will be covered. PowerPoints and pre-recorded lectures for each chapter will be available two weeks prior.

*Mastering Biology Online Homework (20% of your final grade):*

There will be a total of 13 homework assignments. Each Mastering Biology Online Homework assignment will cover 2 chapters and will be due at 11:59PM on Tuesday (see schedule below). Expect to spend on average ~2-3 hours for each assignment.

*Dynamic Study Modules (15% of your final grade):*

Mastering Biology Dynamic Study Modules will be available for each chapter and are due by 11:59PM on Tuesday (see schedule below). These take approximately 30 minutes to complete per chapter.

*Quizzes (30% of your final grade):*

There will be a total of six quizzes. Every two weeks you will have a quiz covering four chapters. Each quiz will be available for 48-hours and will be due by 11:59PM on Friday (see schedule below). These are 80 min timed, multiple choice quizzes that you will take on your own time on your computer (they are not proctored). You will access the quizzes through the Mastering Biology platform. Once you start the quiz, you cannot stop the timer so make sure that you are ready to take the quiz when you start it.

*Midterm and Final (30% of your final grade):*

The midterm and final will cover ~12 chapters each and will consist of a random pool of multiple choice questions taken from the quizzes. These will be 2 hour timed exams that you will take on your own time on your computer (they are not proctored). You will access them through the Mastering Biology platform. They will be available for 1-week and will be due by 11:59PM on Friday for Midterm and Thursday for the Final (see schedule below).
Forum Discussions (5% of your total grade):
Every 3-4 weeks I will assign an online discussion activity to promote communication between you and your fellow online classmates. These will be short activities to stimulate thoughtful discussion and reflection and will require you to post and then reply to at least two other posts to get full credit. Forums will be due Wednesday by 11:59PM. No late submissions will be accepted.

Evaluation and Feedback
All assignments, minus the forums, will be graded through Mastering Biology and grades will be made available upon submission. Grades will be updated after each quiz/exam using the Gradebook Classic tool in Laulima and you will be notified when updates are completed.

Late Work and Missed Assignments
Missed assignments, quizzes and exams will be granted a make up only for legitimate and documented emergencies that are brought to the attention of the instructor within 24-hours after the due date for the assignment or quiz. If you think you might miss a due date, please contact me so we can work on a solution together.

Final Grade
Your final grade will be calculated based on the following:

Homework: 13 assignments 20%
Dynamic Study Modules: 24, equally weighted 15%
Quizzes: Six quizzes covering 4 chapters each 30%
Midterm and Final 30%
Online discussion forums, equally weighted 5%

Letter grades will be assigned as follows:

A 90% or above in total points
B 80-89.9% of total points
C 65-79.9% of total points
D 55-64.9% of total points
F Below 55% of total points or informal or incomplete official withdrawal from course.
I Given at Instructor’s discretion. See catalog for detailed description.
W Official withdrawal from the course by OCTOBER 30, 2023

LEARNING RESOURCES
   a. This is included in Mastering Biology, or you can purchase a hard copy of your own
2. PowerPoints and pre-recorded lectures will be available in Laulima

MASTERING BIOLOGY INSTRUCTIONS
In this course, BIOL 171, you will be using MasteringBiology™, an online tutorial and homework program that includes your eTextbook. This is automatically set up for you through

Windward Community College is an equal opportunity, affirmative action institution.
the campus IDAP program. If you have an existing Pearson MyMastering Account, you can log in through the access tab in our Laulima course. Detailed instructions can be found in this document. For technical assistance try this general support page or this contact support page.

NOT RECOMMENDED: If you decide to opt-out of IDAP and lose access to the required digital course materials, please contact the bookstore for details: 808-235-7418 wccbooks@hawaii.edu

**COURSE POLICIES**

**Communication**
I will communicate with you frequently through the Announcements and Email tools in Laulima. Please be sure to check your UH email and the Laulima Announcements list daily.

**Effort and Time**
BIOL 171 is an intensive survey course of the study of biology that is appropriate for natural science majors and many health professions. The scope, breadth and depth of this foundational survey course is heavy and will require at a minimum 8+ hours of study and focus each week.

Sometimes students think that because of the flexibility of an online class, it will not require as much time as a face-to-face class. Actually, the exact opposite is true: an online class will take more time than a course in a traditional classroom. In this course, you need to spend time on your learning. Most students will need 8-12 hours each week to learn what is necessary. Please plan this time into your schedule, and plan to log in to the course multiple times each week.

**Participating in our Learning Community**
Even though this is an online course, I encourage you to connect with your peers. We will also engage in a number of forums throughout the semester.

**Contacting the Instructor**
If you have any questions or concerns about anything, please contact me via email: Mackenzie Manning. I will respond to you as soon as I can within 24-hours. Please also feel free to drop in to my online Zoom office hours Tues 12pm - 1pm HST, or by appt.

**DISABILITIES ACCOMMODATIONS**
If you have a physical, sensory, health, cognitive, or mental health disability that could limit your ability to fully participate in this class, you are encouraged to contact the Accessibility Counselor to discuss reasonable accommodations that will help you succeed in this class. Roy Inouye can be reached at (808) 235-7448, royinouy@hawaii.edu, or you may stop by Hale Kāko‘o 106 for more information.

**SEX DISCRIMINATION AND GENDER-BASED VIOLENCE RESOURCES (TITLE IX)**
Windward Community College is committed to providing a learning, working, and living environment that promotes personal integrity, civility, and mutual respect and is free of all forms of sex discrimination and gender-based violence, including sexual assault, sexual harassment, gender-based harassment, domestic violence, dating violence, and stalking. If you or someone you know is experiencing any of these, WCC has staff and resources to support and assist you. To report an incident of sex discrimination or gender-based violence, as well as receive information and support, please contact one of the following:

*Windward Community College is an equal opportunity, affirmative action institution.*
Jojo Miller, Confidential Advocate  
Phone: (808) 348-0663  
Email: advocate@hawaii.edu  
Office: Hale Kāko’o 110  

Desrae Kahale, Mental Health Counselor & Confidential Resource  
Phone: (808) 235-7393  
Email: dkahale3@hawaii.edu  
Office: Hale Kāko’o 101  

Karen Cho, Deputy Title IX Coordinator  
Phone: (808) 235-7404  
Email: kcho@hawaii.edu  
Office: Hale ‘Alaka‘i 120  

As a member of the University faculty, I am required to immediately report any incident of sex discrimination or gender-based violence to the campus Title IX Coordinator. Although the Title IX Coordinator and I cannot guarantee confidentiality, you will still have options about how your case will be handled. My goal is to make sure you are aware of the range of options available to you and have access to the resources and support you need. For more information regarding sex discrimination and gender-based violence, the University’s Title IX resources and the University’s Policy, Interim EP 1.204, go to manoa.hawaii.edu/titleix/  

**ALTERNATE CONTACT INFORMATION**  
If you are unable to contact the instructor, have questions that your instructor cannot answer, or for any other issues, please contact the Academic Affairs Office:  

- Location: ‘Alaka‘i 121  
- Phone: (808) 235-7422  

**TENTATIVE COURSE SCHEDULE**  
The following schedule is subject to change. Please consult the Academic Calendar for important dates throughout the fall term.  

All due dates/times are 11:59PM Hawaii Standard Time (HST)  

**Week 1**: Aug 21, Chapters 1 and 2  
Chapter reading/powerpoint presentations  
MB Hwk: Tuesday Aug 29  
DSM: Tuesday Aug 29  
Forum 1: Wednesday, Aug 30  

**Week 2**: Aug 28, Chapters 3 and 4  
Chapter reading/powerpoint presentations  
MB Hwk: Tuesday, Sept 5  
DSM: Tuesday, Sept 5  
Quiz 1 Ch:1-4: Friday, Sept 8  

**Week 3**: Sept 4, Chapters 5 and 6  
Chapter reading/powerpoint presentations  
MB Hwk: Tuesday, Sept 12  

Windward Community College is an equal opportunity, affirmative action institution.
Week 4: Sept 11, Chapters 7 and 8
Chapter reading/powerpoint presentations
MB Hwk: Tuesday, Sept 19
DSM: Tuesday, Sept 19
Quiz 2 Ch: 5-8: Friday, Sept 22

Week 5: Sept 18, Chapters 9 and 10
Chapter reading/powerpoint presentations
MB Hwk: Tuesday, Sept 26
DSM: Tuesday, Sept 26
Forum 2: Wednesday, Sept 27

Week 6: Sept 25, Chapters 12 and 13
Chapter reading/powerpoint presentations
MB Hwk: Tuesday, Oct 3
DSM: Tuesday, Oct 3
Quiz 3 Ch: 9, 10, 12, 13: Friday, Oct 5

Week 7: Oct 2, No new material, study for Midterm

Week 8: Oct 9, Midterm

Week 9: Oct 16, Chapters 14 and 15
Chapter reading/powerpoint presentations
MB Hwk: Tuesday, Oct 24
DSM: Tuesday, Oct 24
Forum 3: Wednesday, Oct 25

Week 10: Oct 23, Chapters 16 and 17
Chapter reading/powerpoint presentations
MB Hwk: Wednesday, Nov 1
DSM: Wednesday, Nov 1
Quiz 4 Ch: 14-17: Saturday, Nov 4

Week 11: Oct 30, Chapters 18 and 19
Chapter reading/powerpoint presentations
MB Hwk: Tuesday, Nov 7
DSM: Tuesday, Nov 7

Week 12: Nov 6, Chapters 22 and 23
Chapter reading/powerpoint presentations
MB Hwk: Tuesday, Nov 14
DSM: Tuesday, Nov 14
Quiz 5 Ch: 18, 19, 22, 23: Friday, Nov 17

Week 13: Nov 13, Chapters 24 and 25
Chapter reading/powerpoint presentations
MB Hwk: Tuesday, Nov 21
DSM: Tuesday, Nov 21

Windward Community College is an equal opportunity, affirmative action institution.
Forum 4: Wednesday, Nov 22

Week 14: Nov 20, Happy Thanksgiving! No new material this week

Week 15: Nov 27, Chapters 26 and 27
Chapter reading/powerpoint presentations
MB Hwk: Tuesday, Dec 5
DSM: Tuesday, Dec 5
Quiz 6 Ch: 24-27: Friday, Dec 8

Week 16: Dec 4, No new material, study for the final

Week 17: Dec 11, Finals Week
Final Ch: 14-19, 22-27: Available Dec 11 - Dec 15. Due Friday, Dec 15

Windward Community College is an equal opportunity, affirmative action institution.
