COURSE TASKS

- Assignments (504points total)
 - The student will complete 6 module exercises and 12 topic posts on Flip. Your posts and responses will be graded based on effort, clarity, and accuracy.
- Quizzes (540 points total)
 - The student will complete online quizzes to assess their comprehension of course materials. The quizzes will be based on the lectures and assigned reading for the week. Although the quizzes are open-book, they are timed. As such, students who have not studied can expect to do poorly on the quizzes. For each quiz, the attempt yielding the highest score will be used to calculate the student's grade.
- Presentation (100 points total)
 - The student will complete two presentations for Mahele 3 and Mahele 4.
- Review (85 points total)
 - The student will complete two unit reviews; Mahele 3 and Mahele 4.

Late assignments will be accepted.

ADDITIONAL INFORMATION

- STUDENT RESPONSIBILITIES
 - The student is expected to view all lectures, participate in all course activities, and complete all quizzes and course assignments **on time**. Any changes in the course schedule will be announced ahead of time on the course website or by UH email. Students should check their UH email address regularly (at least every 48 hrs.) so that they can be informed of course changes in a timely manner. It is the student's responsibility to be informed of these changes. It is also the student's responsibility to be informed about deadlines critical to making registration changes (e.g., last day for making an official withdrawal).
- NETIQUETTE
 - The best possible experience in class engagement and in e-mail exchanges occurs when respect is shown to all participants. When addressing other people in our online course, think about the impact of your words and remember that unlike face-to-face communication, those you communicate with cannot see the expression on your face or hear the intonation in your voice. Try to be brief and to the point. Answer questions but do not be drawn into arguments. The flip assignment(s) is not the place for political arguments or for discussion of inappropriate topics. If you cite someone else’s ideas, make sure to give them credit.
- HOW TO SUCCEED IN THIS CLASS
 - Keep ahead of the work, attend all class meetings prepared to participate fully. Seek help from your teacher, and reach out to others in class for help as well. Be a proactive learner and find ways to engage in Hawaiian language beyond our class time and work. Good luck!
