**Minimum Technical Skill Requirements**

In this course you’ll be required to use Laulima, the online course management system on which you’re most likely reading this syllabus 😊, to access course materials and complete assignments. Required basic-computing skills include 1) word processing (on Microsoft Word, Pages, or whatever program you prefer); 2) using an internet browser such as Chrome, Safari, or Firefox; 3) and managing your files, for example by remembering and/or keeping track of where you’ve uploaded or downloaded them.

**Beginning October 2nd, Multi-Factor Authentication (MFA) will be required for all UH Students to login to their UH Accounts.**

“MFA” is an extra layer of protection for UH usernames and passwords, requiring additional authentication through a device (e.g. mobile phone, landline, or USB token) to log in. At least once a week, you’ll be automatically logged out of your devices and required to verify your ID with a mobile app or a robo-call in order to log back in. If you can’t use a personal device to complete these weekly verifications, please contact Ka Piko Student Tech Support at 808-235-7437 or [winhelp@hawaii.edu](mailto:winhelp@hawaii.edu) to receive a physical USB drive that can be plugged into the device you need to sign in to.
To set up MFA on UH accounts, visit go.hawaii.edu/SjG

Course Policies and Procedures

Emails:
Communicating with students is my top priority. If I have not responded to your message in twenty-four hours, please email me again.

Please check your hawaii.edu account on a regular basis. The homework emails that I send via Laulima will go to that account only. Instructions on forwarding your hawaii.edu account are here: https://www.hawaii.edu/askus/1208.

In a school or work setting, please always write grammatically correct emails, using complete words and full sentences (no shorthand, such as “where r u now”). Start with a greeting (Aloha e Jane, Dear Mr. Smith, or Hi Lance), and end with a signature (Thank you, Sincerely, or just your name).

If you have any problems or last-minute emergencies, please email me.

The University of Hawai‘i is committed to a barrier-free campus and provides accommodations to ensure students with disabilities equal access to education. We agree to make academic adjustments to ensure non-discrimination of students with disabilities. This commitment is in accordance with applicable state and federal laws, including the Americans with Disabilities Act, and Sections 504 and 508 of the Rehabilitation Act.

Under the Americans with Disabilities Act (Title II) and the Rehabilitation act of 1973-section 504 and 508, individuals with disabilities have protections against discrimination and are assured access to programs, services and activities. For more information see “Americans with Disabilities Act” and “Rehabilitation Act of 1973 – Section 504 or Section 508”.
Students must self-identify to the appropriate Disability Services Office and complete the intake process before receiving reasonable accommodations. To ensure the prompt and effective provision of accommodations, students should contact the Disability Services Office as early as possible. Find your disability services office contact for your home campus.

Any student who feels s/he may need an accommodation based on the impact of a disability is invited to contact the course instructor privately or your campus's disability services office.

Financial Aid Statement
If students do not begin attendance in a course or stop participating in a course, Title IV funds must be returned according to Federal Return of Title IV funds regulations (34 CFR 668.21(a)). This means you may be required to return some (or all) of the financial aid you have received. It is very important to remember that colleges are required to take steps necessary to ensure that students are academically engaged in order to justify the disbursement of Federal Title IV student aid funds. If at any time your plans change and you no longer plan to participate in the courses in which you enrolled, you must contact the financial aid office to minimize any possible negative financial impact.

For more information on financial assistance for your education, please contact your home campus financial aid office. Financial assistance may include grants, scholarships, and other resources to help you pay for the cost of college. A financial aid adviser will be able to help you navigate this process to determine your eligibility for these funds.
