Course Tasks

Tuesday Thursday Class and Lecture Notes

Class is on Tuesdays and Thursdays in Manaopono 101 from 11:30am-1:20pm. During class students will take lecture notes and need to turn in the lecture notes by the end of the week, for each week's sections. Each section is worth 5pts.

Weekly Homework via MLM Pearson

There will be homework due each week on Fridays at 11:59pm. Students can still earn 80% back on problems completed after the due date.

Chapter Exams

There will be 4 Chapter Exams, each worth 50 points. Students have one retest opportunity per exam, within a given deadline (usually within a week after graded tests are returned). In order to retest students, need to complete the homework assignments via MLM. The higher exam score is kept.

Final Exam

The final exam it is cumulative and will be 2hrs long. There are no retests or makeups for the final exam. (Unless the student has scored 70% or higher on all chapter exams, then they are allowed one retest for the Final Exam)

It is expected that students spend, at the minimum, **24 hours per week** outside of class time studying, attending the Math Lab and/or TRiO for extra help, and doing homework and readings for this class.

Required Materials

Required MLM Pearson Access and eText: Click the link on Laulima that says “MyLabMath” this will take you to a tab that allows you to purchase the etext and MLM course access for around \$60. The book title is “Mathematics in Action: An Introduction to Algebraic, Graphical, and Numerical Problem Solving.”

Required Technology Tools: Scientific calculator
