Additional Information

Five things to be mindful of when you take this online Japanese course:

1. You have to be able to type in Japanese on your computer. Click here for [Mac/Widnows/PDF](#) to find out how to make your computer type in Japanese.
2. You have to reserve one consecutive hour for taking two chapter exams and two consecutive hours for taking the final exam. You must agree that you are solely and totally responsible for the proper functioning of your computer since this is the online class. Should your computer fail to function properly and you are unable to take the examination, you agree that this failure of function ends your examination with no further chance to retake it.
3. You have to be able to make a web recording. The demo videos (click [demo1](#), [demo2](#)) explain how to do your homework. (click here for [PDF](#)).

4. Since this is a language course, I strongly recommend that you study every day according to the schedule.

5. It is your responsibility to check your Lulima e-mail every day.

If you have any questions about this course, please e-mail me using my UH email address (aswan@hawaii.edu). Always include "JPNS102" in the subject field of your email, so that I will notice it immediately.

If your Internet connection is down and you do not have access to an alternative connection, and therefore you cannot take a quiz/test or submit the required assignment(s) during the designated time, you may request to reschedule the quiz/test or delay submission of the assignment(s) only if the following conditions are met.

- You need to e-mail me to let me know that your Internet connection is down. You must do this during the designated time of the quiz/test or assignment, and include in your email a screenshot showing the problem.
- A student must initiate an arrangement for taking a test in advance. I will not initiate such a procedure.

Due dates for submitting homework, quizzes and exams

Homework, quizzes and exams must be submitted as scheduled.

You may turn in homework and quizzes earlier than scheduled, but you must submit them by the date scheduled.

Chapter 4 and 5 exams and the final exam must be taken on the date scheduled on that one day.
